

Finalmente Ho Un Cane! Ediz Illustrata

Thinking bees, ice-skating buffaloes, dreaming rats, happy foxes, ecstatic elephants, despondent dolphins--in *Minding Animals*, Marc Bekoff takes us on an exhilarating tour of the emotional and mental world of animals, where we meet creatures who do amazing things and whose lives are filled with mysteries. Following in the footsteps of Konrad Lorenz and Niko Tinbergen, Bekoff has spent the last 30 years studying animals of every stripe--from coyotes in Wyoming to penguins in Antarctica. He draws on this vast experience, as well as on the observations of other naturalists, to offer readers fascinating stories of animal behavior, including grooming and gossip, self-medication, feeding patterns, dreaming, dominance, and mating behavior. Many of these stories are truly incredible--chimpanzees medicating themselves with herbal remedies, elephants clearly mourning a dead group member--but this is not simply a catalog of amazing animal tales, for Bekoff also sheds light on

many of the more serious issues surrounding animals. He offers a thought-provoking look at animal cognition, intelligence, and consciousness and he presents vivid examples of animal passions, highlighting the deep emotional lives of our animal kin. All this serves as background for his thoughtful conclusions about humility and animal protection and animal well-being, where he urges a new paradigm of respect, grace, compassion, and love for all animals. Marc Bekoff has gone deep into the minds, hearts, spirits, and souls of animals, giving him profound insight into their lives, and no small insight into ours. *Minding Animals* is an important contribution to our understanding of animal consciousness, a major work that will be a must read for anyone who loves nature.

A Children's Choice Book of the Year Award Winner! Parents' Choice Recommended Award "So adorable readers may attempt to hug the page." -Kirkus Reviews Calling all dog and book lovers! A delightfully warm, encouraging story of a young girl and

the special library dog who helps instill patience, acceptance, and confidence as she learns to read. From award-winning author-illustrator Lisa Papp. Madeline Finn does NOT like to read. But she DOES want a gold star from her teacher. Except stars are for good readers, for understanding words, and for saying them out loud—things that Madeline Finn doesn't believe she can do. Fortunately, Madeline Finn finds a little help when she meets Bonnie, a library dog. Reading out loud to Bonnie isn't so bad, and when Madeline Finn gets stuck, Bonnie doesn't mind. As it turns out, it's fun to read when you're not afraid of making mistakes. Bonnie teaches Madeline Finn that it's okay to go slow—and, most importantly, to keep trying. With endearing illustrations, award-winner Lisa Papp brings an inspiring and comforting book to all new readers who just need a little confidence to overcome their fears. Also available: Madeline Finn and the Shelter Dog Madeline Finn and the Therapy Dog Activity Kit available!

The Wonderful Wizard of Oz

River Boy

I am a minibombo book: a little book buzzing with a big idea. If you have always wanted a pet, but your parent have never let you ... this is the book for you. Because, inside the pages of this book, your new cat awaits. Isn't he sweet? Just look at him twitch his tiny nose! As a pet owner, it's your job to wake him up (call out his name), softly stroke his back (with your finger) and shelter him from the rain (your hand makes a great umbrella!). It's quite hard work - phew! - but it's so much fun. From minibombo, the creators of The White Book and Black Cat, White Cat comes a playful picture book that cleverly encourages you to interact with the physicality of the page itself, and a book that will, with the help of your imagination, bring a purr-y, fluffy cat to life. Miaow! Check out minibombo.com to find plenty of fun ideas for playing and creating inspired by this book! An interactive concept book for all cat lovers! Will appeal to fans of Hervé Tullet's Press Here, Richard Byrne's This Book Just Ate My Dog! and Mo Willems' Pigeon books. Look out for The Dog Book and The Hamster Book - the other titles in the Paper Pets series. Milton Glaser's first children's book; back in print again for the first time in forty years.

Duck wants to join a club. But he needs to be able to ROAR to join Lion Club, or TRUMPET to join Elephant Club. And all he can do is QUACK! What's a Duck to do? Why, set up his own club of course... where everyone is welcome to join! With a laugh-out-loud text from John Kelly and brilliantly quirky illustrations

by Steph Laberis, Can I Join Your Club? is a heart-warming story which celebrates the importance of diversity and friendship. Perfect for little ones who are learning to make friends at a new school or nursery. Chi poteva immaginare che il professor Pennacchioni a scuola fosse una schiappa?! Daniel Pennac non ha mai dimenticato com'era avere il "mal di scuola" né il giorno in cui un suo insegnante gli ha cambiato la vita affidandogli il compito di scrivere un romanzo. In quel momento l'autore ha capito che nessuno dovrebbe mai essere considerato un somaro a scuola. E in questo libro, tra pensieri e ricordi davanti e dietro la cattedra, ci spiega perché.

Can I Join Your Club?

Hold this book gently because it's very sleepy! A mouse inside the pages invites you to read the book a bedtime story, tuck it in with a cozy blanket, and give it a hug and a kiss. Oh, and don't forget to ask whether it brushed its teeth and went pee-pee! Then turn off the light. There. Shhh! This book is sleeping! Fans of Press Here and The Monster at the End of This Book will enjoy coaxing the very book they're holding to go to sleep.

Scritto tra il 1863 e il 1869 e pubblicato per la prima volta tra il 1865 e il 1869 sulla rivista Russkij Vestnik, riguarda principalmente la storia di due famiglie, i Bolkonskij e i Rostov, tra le guerre napoleoniche, la

campagna napoleonica in Russia del 1812 e la fondazione delle prime società segrete russe. Per la precisione con cui i diversissimi piani del racconto si innestano all'interno del grande disegno monologico e filosofico dell'autore Lev Tolstoj, Guerra e pace potrebbe definirsi la più grande prova di epica moderna, e un vero e proprio "miracolo" espressivo e tecnico. Guerra e pace è considerato da molti critici un romanzo storico, in quanto offre un ampio affresco della nobiltà russa nel periodo napoleonico.
