

Little Mermaid And Other Hans Christian Andersen Fairy Tales (Illustrated Stories For Children)

Presents "The Little Mermaid", "The Tinder Box", "Great Claus and Little Claus", and "The Swineherd".

After saving a prince from drowning, a young mermaid sacrifices her tail for legs and joins the prince but comes to regret her decision.

The Little Mermaid is one of the most haunting love stories ever written. Its author, Hans Christian Andersen, is a master storyteller whose tales have withstood the test of time and have been shared across borders and languages. In this sparkling anthology 17 of his creations are enchantingly retold for children today by Neil Philip. Many of his most popular tales are here: The Tinderbox, The Emperor's New Clothes, The Steadfast Tin Soldier and The Little Match Girl. Read about Little Ida who dared to dance at night with the flowers, the young prince who searched for a mysterious bell deep in the forest, and the very vain emperor who was cruelly tricked by wicked thieves. There are also some less-well known stories that will delight a new generation of children including Five Peas from the Same Pod, The Goblin at the Grocer's, The Flying Trunk and The Beetle. Delightfully illustrated with Isabelle Brent's magical watercolours, lavishly embellished with gold decorations. Originally the son of a poor shoemaker, the secret of Andersen's success is that he wrote his stories as if he were telling them to a child. None of the original magic has been lost in this joyful new edition, ideal to read aloud or for older readers to enjoy discovering by themselves.

The Classic Danish Fairytale (Illustrated)

Hans Christian Andersen's Most Enchanting Tales

The Illustrated Little Mermaid

Tamsin and her brother, Morgan, have always lived by the sea, but it's only when Tamsin wipes out on her surfboard and is dragged underwater by a sinister creature that they discover what dangers lurk beneath the waves.

Dive into centuries of mermaid lore with these captivating tales from around the world. A Penguin Classic Among the oldest and most popular mythical beings, mermaids and other merfolk have captured the imagination since long before Ariel sold her voice to a sea witch in the beloved Disney film adaptation of Hans Christian Andersen's "The Little Mermaid." As far back as the eighth century B.C., sailors in Homer's Odyssey stuffed wax in their ears to resist the Sirens, who lured men to their watery deaths with song. More than two thousand years later, the gullible New York public lined up to witness a mummified "mermaid" specimen that the enterprising showman P. T. Barnum swore was real. The Penguin Book of Mermaids is a treasury of such tales about merfolk and water spirits from different cultures, ranging from Scottish selkies to Hindu water-serpents to Chilean sea fairies. A third of the selections are published here in English for the first time, and all are accompanied by commentary that explores the undercurrents, showing us how public perceptions of this popular mythical hybrid--at once a human and a fish--illuminate issues of gender, spirituality, ecology, and sexuality.

Thirteen engaging tales exuding originality, whimsy and humor — among them "Great Claus and Little Claus," "The Ugly Duckling," "The Red Shoes," "Thumbelina," and the title story.

A Novel

The Little Mermaid in Spanish and English (Bilingual Edition)

The beloved tale of The Little Mermaid is faithfully reproduced in this new edition of Hans Christian Anderson's classic. Original art by critically acclaimed New York Times bestselling illustrator Charles Santore is masterfully reproduced using the most advanced technology to bring these breathtaking illustrations to life like never before. The vivid colors and captivating spreads make this beautiful story one to be treasured in every home. The Little Mermaid is a timeless classic that has fascinated readers young and old for many generations. The adventures of the young mermaid princess splash life across the pages of a story full of belonging, hope, love and sacrifice. This new edition embodies beautiful original artwork by Charles Santore, masterfully reproduced with the latest technology available, containing vivid colors and captivating illustrations that make every page an unrivaled masterpiece. The sharp contrast of life under the sea and on the land is captured with these magnificent depictions of the story. In reviewing the original Santore artwork, the School Library Journal wrote, "Through his clever use of contrasting palettes, the illustrations create two distinct worlds: the ethereal blues and greens of the Sea King's undersea realm, and the sun-drenched reds and golds of the prince's domain." Children and adults are sure to treasure this book and all it encompasses for many years to come.

Colin Everroad should be dead, but after his lobster boat founders during a violent storm off the Maine coast, he wakes up on a beach. He's cold, but unscathed... with strange memories of a face he can't conjure and a voice he doesn't recognize. No one can explain it, but a friend suggests Colin was saved by one of the mer. Except the mer don't exist. Do they? But... that face. That voice. Someone was in the water with him. Someone saved him. If not a mer, then who? And whoever it was, Colin wants to see his face. Lir broke protocol by rescuing a land person, but he couldn't just let the man drown. When he disobediently resurfaces to see his beautiful land man, he knows it's only a matter of time before he's forbidden to leave the depths again. One clandestine visit turns into more. Soon, Colin and Lir are meeting at the shore as often as possible, and the connection between them deepens. The only problem is that neither can live in the other's world. Or can they? Then Lir finds a way for them to be together, but only for a little while... and at a cost. As time grows short, they have to choose: does Lir return to the sea and never see Colin again, or stay forever with the man he loves in a world that will never love them? Ripples & Waves is a modern, queer retelling of Hans Christian Andersen's The Little Mermaid.

Hans Christian Andersen's classic story sees new life in this newly illustrated eBook. A half dozen original color illustrations are included in this book (illustrations will appear in B&W if a color reader is not used).

A Queer Retelling of Hans Christian Andersen's The Little Mermaid

The Little Mermaid and Other Fairy Tales

Hans Christian Andersen Tales

The Jungle Book

This book provides readers with a unique understanding of the ways in which Aboriginal people interacted with their environment in the past at one particular location in western New South Wales. It also provides a statement showing how geoarchaeology should be conducted in a wide range of locations throughout Australia. One of the key difficulties faced by all those interested in the interaction between humans and their environment in the past is the complex array of processes acting over different spatial and temporal scales. The authors take account of this complexity by integrating three key areas of study – geomorphology, geochronology and archaeology – applied at a landscape scale, with the intention of understanding the record of how Australian Aboriginal people interacted with the environment through time and across space. This analysis is based on the results of archaeological research conducted at the University of New South Wales Fowlers Gap Arid Zone Research Station between 1999 and 2002 as part of the Western New South Wales Archaeology Program. The interdisciplinary geoarchaeological program was targeted at expanding the potential offered by archaeological deposits in western New South Wales, Australia. The book contains six chapters: the first two introduce the study area, then three data analysis chapters deal in turn with the geomorphology, geochronology and archaeology of Fowlers Gap Station. A final chapter considers the results in relation to the history of Aboriginal occupation of Fowlers Gap Station, as well as the insights they provide into Aboriginal ways of life more generally. Analyses are well illustrated through the tabulation of results and the use of figures created through Geographic Information System software.

After saving a prince from drowning, a mermaid princess embraces a life of extreme self-sacrifice to win his love and gain an immortal soul. Over a century after its first publication, Hans Christian Andersen's The Little Mermaid persists as one of the world's most enduring works of fantasy for children. Matte Cover 8.5x11" ' Can be used as a coloring book

This magical story tells of a mermaid's thwarted love for a land-born prince, and her quest for an immortal soul that brings her face to face with an evil seawitch. Full of love, sacrifice and magic, 'The Little Mermaid' is a charming classic.

The Mermaid's Daughter

Neil Ansell's THE LAST WILDERNESS is a mesmerising book on nature and solitude by a writer who has spent his lifetime taking solitary ventures into the wild. For any readers of the author's

previous book, DEEP COUNTRY, Robert Macfarlane's THE OLD WAYS or William Atkins THE MOOR. Shortlisted for the 2018 Wainwright Golden Beer Book Prize Shortlisted for the 2018 Highland Book

Prize 'Ansell has the rare skill of combining vividly the intimacy of detail and the astonishing grandeur of this North West coastline of Scotland. Through his keen eyes we look again at

the familiar with a sense of wondrous revelation' Madeleine Bunting 'Beautiful...a testimony to reticent courage' Daily Mail The experience of being in nature alone is here set within the context of a series of walks that Neil Ansell takes into the most remote parts of Britain, the rough bounds in the Scottish Highlands. He illustrates the impact of being alone as part of nature, rather than outside it. As a counterpoint, Neil Ansell also writes of the changes in the landscape, and how his hearing loss affects his relationship with nature as the calls of the

birds he knows so well become silent to him.

In the most renowned novel by English author Lewis Carroll, restless young Alice literally stumbles into adventure when she follows the hurried, time-obsessed White Rabbit down a hole and

into a fantastical realm where animals are quite verbose, logic is in short supply, and royalty tends to be exceedingly unpleasant. Each playfully engaging chapter presents absurd scenarios involving an unforgettable cast of characters, including the grinning Cheshire Cat and the short-tempered Queen of Hearts, and every stop on Alice's peculiar journey is marked by sharp

social satire and wondrously witty wordplay.

A little sea princess, longing to be human, trades her mermaid's tail for legs, hoping to win the love of a prince and earn an immortal soul for herself.

The Queen, the Princes and the Mermaid

Hans Christian Andersen's the Little Mermaid

The Little Mermaid and Other Tales

Tamsin and the Deep

A beautifully illustrated new translation of a beloved Hans Christian Andersen fairy tale Six young sisters live in the depths of the ocean, longing for the chance to see the beauty of the earth. Most eager of all is the youngest mermaid, who counts the days to her fifteenth birthday when her grandmother will finally allow her to rise to the surface. Her first sight above the water is a large ship on which a beautiful prince is celebrating his sixteenth birthday. Immediately she falls in love, and so begins her determined quest to join the prince on earth as a human. Full of wonder and heart, The Little Mermaid remains one of the most powerful fairy tales ever written, and this new, gorgeously illustrated translation gives it renewed life.

The Little Mermaid is Hans Christian Andersen's most celebrated tale and is beautifully adapted here as a graphic novel by the Eisner award nominated duo Metaphrog (Sandra Marrs and John Chalmers), winners of the Sunday Herald Scottish Culture Awards Best Visual Artist 2016, and authors of the acclaimed The Red Shoes and Other Tales. The Little Mermaid lives deep under the ocean and longs to see the world above. When at last she is allowed to rise to the surface at age fifteen, she falls in love with a young prince. In order to become a human and to be with him, she makes a dangerous pact with the Sea Witch.

Hans Christian Andersen fairytales are magical; but how do you get kids excited about the stories when most translations were written over 100 years ago in a dated English? This is a retelling of one of Andersen's most beloved stories: The Little Mermaid. This book is also available as a larger anthology with even more Andersen stories. KidLit-o is a new publishing house just for kids! From reimagined classics to history books, there's something for everyone here!

The Last Wilderness

The Little Mermaid and Other Tales from Hans Christian Andersen

Beauty and the Beast and Other Classic Fairy Tales

The Complete Grimm's Fairy Tales

The present volume is the second of the selected stories from Hans Andersen. Together the books include what, out of a larger number, are the best for children's use. The story-telling activity of this inimitable genius covered a period of more than forty years. Besides these shorter juvenile tales, there are a few which deserve to survive. "The Ice Maiden" is a standard, if not a classic, and "The Sandhills of Jutland" was pronounced by Ruskin the most perfect story that he knew. It adds a charm to the little stories of these two volumes to know that the genial author traveled widely for a man of his time and everywhere was urged to tell the tales himself. This he did with equal charm in the kitchens of the humble and in the courts and palaces of nobles. As was said in the preface to the first volume, wherever there are children to read, the stories of [v]Hans Christian Andersen will be read and loved.

Complete text accompanied by 31 large drawings, including the Sea King's magical underworld, the turreted palace of the young prince, the evil sea witch, much more.

"It doesn't matter if you're born in a duck yard, so long as you are hatched from a swan's egg!"—Hans Christian Andersen, “The Ugly Duckling.” Fairy tales are timeless treasures passed from generation to generation, and few are as beloved as those of Danish author, Hans Christian Andersen. From the princess so sensitive she is discomforted by a single pea beneath a tower of mattresses to the unfortunate-looking duckling who matures into a stunning swan, these are the stories that stay with us long after we leave childhood behind. First published in 1835, Andersen’s tales continue to delight the modern audience. Now part of the Word Cloud Classics series, Hans Christian Andersen Tales is a chic and affordable collection of these wonderful stories, complete with classics like “Thumbelina” and “The Little Mermaid,” plus some wonderful lesser-known gems to discover anew.

The Little Mermaid Coloring Book

(Original Story with Illustration Kids Colouring Book)

Alice's Adventures in Wonderland

A Journey into Silence

“More and more, she came to love humans; more and more, she wished she could rise up among them.” The youngest daughter of the Sea King cannot wait to be old enough to go to the surface and see the world of humans. Her first visit there changes her life forever when she saves a prince from drowning, and comes to love him above all others. For the chance to win his love and gain an immortal soul, the little sea princess is willing to risk everything... First published in 1837, Hans Christian Andersen's haunting tale of love is brought to an English readership in this illustrated and unabridged edition, which has been translated directly from the original Danish into English and includes illustrations by Ivan Bilibin.

Originally titled Children's and household tales, The complete Grimm's fairy tales have contained the essential bedtime stories for children worldwide for the better part of two centuries. This edition features 201 fairy tales and 10 children's legends, accompanied by over 60 iconic illustrations from Arthur Rackham and a new introduction.

When the daring mermaid princess, Ariel, rescues the human Prince Eric from drowning, she falls in love with him. The little mermaid trades her voice to the scheming sea witch, Ursula, for the chance to become human. Unless Eric falls in love with Ariel in three days, she will become Ursula’s captive forever! Experience the enchanting fairy tale with this beautifully illustrated storybook and read-along CD that features the voices of the beloved characters and thrilling sound effects from the award-winning film!

The Little Mermaid and Other Stories

The Penguin Book of Mermaids

The Ugly Duckling

Hans Christian Andersen

A modern-day expansion of Hans Christian Andersen’s The Little Mermaid, this unforgettable debut novel weaves a spellbinding tale of magic and the power of love as a descendent of the original mermaid fights the terrible price of saving herself from a curse that has affected generations of women in her family. Kathleen has always been dramatic. She suffers from the bizarre malady of experiencing stabbing pain in her feet. On her sixteenth birthday, she woke screaming from the sensation that her tongue had been cut out.

No doctor can find a medical explanation for her pain, and even the most powerful drugs have proven useless. Only the touch of seawater can ease her pain, and just temporarily at that. Now Kathleen is a twenty-five-year-old opera student in Boston and shows immense promise as a soprano. Her girlfriend Harry, a mezzo in the same program, worries endlessly about Kathleen's phantom pain and obsession with the sea. Kathleen's mother and grandmother both committed suicide as young women, and Harry worries they suffered from the same symptoms. When Kathleen suffers yet another dangerous breakdown, Harry convinces Kathleen to visit her hometown in Ireland to learn more about her family history. In Ireland, they discover that the mystery—and the tragedy—of Kathleen's family history is far older and stranger than they could have imagined. Kathleen's fate seems sealed, and the only way out is a terrible choice between a mermaid's two sirens—the sea, and her lover. But both choices mean death... Haunting and lyrical, The Mermaid's Daughter asks—how far we will go for those we love? And can the transformative power of music overcome a magic that has prevailed for generations?

The Little Mermaid Read-Along Storybook and CD

Ripples & Waves

Illustrated Fairy Tales

The Little Mermaid lives in an underwater kingdom with her father, the sea king; her grandmother and her five elder sisters, each born one year apart. When a mermaid turns 15, she is allowed to swim to the surface to watch the world above, and as the sisters become old enough, one of them visits the surface every year. As each of them returns, the Little Mermaid listens longingly to their various descriptions of the surface and of human beings.

Featuring beloved characters such as the Little Mermaid, Thumbelina, and the Snow Queen, a deluxe full-color edition of Hans Christian Andersen's classic fairytales, illustrated with stunning drawings and interactive artwork from Minalima, the award-winning design studio behind the graphics for the Harry Potter film franchise—the perfect companion for fans of the Disney live-action film The Little Mermaid which will include a mix of songs from Hamilton’s Lin-Manuel Miranda and Alan Menken. Nearly two hundred years after its publication in 183

Hans Christian Andersen's timeless fairytales continue to inspire young imaginations.
