They reveal Jesus as the One who offers to be with us through all of life: during our celebrations, on our sickbeds, in our disabilities, amid our feasting, in our dangers, alongside us in our spiritual searching, and when we face our deaths. 'Haunting, dark and wonderfully atmospheric' B A Paris, bestselling author of *The Therapist* Once you let her in, she'll never leave... The seven signs are associated with miracles performed by Jesus after he was baptised by John the Baptist. The life of Jesus is a blue print for our own spiritual development. Events such as these signs and miracles mark our progress. The ideas presented in these reflections assist us to become more aware of the changing human consciousness. Our consciousness today is vastly different to the consciousness of one hundred years ago, and certainly of two thousand years ago when St John wrote his Gospel. Yet the words John chose when he recorded the events of the life of Jesus assist us to understand the many ways in which our consciousness does change. At the core of our consciousness are three faculties; feeling, thinking and will. If we can become more aware of how these three work individually in us we will be able to take charge of them. Mostly they take charge of us and bring about habitual responses to life's situations. One of the purposes of Christ's presence on this earth

was to reveal to us how these faculties can be transformed. These reflections aim to invoke a new understanding. The ideas presented here are just that - ideas. Hopefully these ideas will inspire the reader to have even deeper insight into what John really means in his mystical gospel.

A city in chaos. Seven in a desperate battle for survival. Billions across the world on the brink of apocalypse. The DARE Seven face danger from all sides: violent criminals are hunting them down, trigger-happy police suspect them of murder and The Signmaker keeps changing the rules of the game. As the clock keeps ticking towards the Fourth Sign, can Zander, Yasmin, Dylan, Andy, Isabel, Mila and JJ reach the next target and prevent the deadliest attack yet? Or will they fall victim as The Signmaker becomes ever more ruthless? If you could be a hero, would you DARE? Seven Signs. Four days left to save the world..

days to save the world.

The Gospel of John is one of the most beloved, yet challenging books in the Bible. This is often the first New Testament book suggested for new believers to read because the Fourth Gospel provides unique insight into Jesus the Messiah and the Christian faith. This study seeks the middle ground of a scholarly examination of the fourth gospel for those who desire an in-depth understanding of this gospel. The Teaching of Jesus covers the seven major teachings found in the fourth gospel. The Signs of Jesus examines seven signs or miracles of Jesus in the Gospel of John. The final book of the Bible, Revelation prophesies the ultimate judgement of mankind in a series of allegorical visions, grisly images and numerological predictions. According to these, empires will fall, the "Beast" will be destroyed and Christ will rule a new Jerusalem. With an introduction by Will Self.
