El español para nosotros is a two-level series written for students who speak and hear Spanish at home and want to improve their academic language and literary skills. It is designed specifically to help Spanish-speaking students strengthen language skills and develop an appreciation for literature and culture. El español para nosotros includes the same number of chapters as ¡Buen viaje! and links to the themes and grammar of the program. It is ideal for Heritage Language Learners who are enrolled in class with students using ¡Buen viaje! to learn Spanish, and can be used as a standalone program.

Reinforces language learnt by revisiting and revising selected core language from Caminos 1. Teaches grammar in a systematic way, identifying patterns clearly and providing plenty of practice. The increasingly wide spread of attainment in the second year of language learning is addressed by differentiation materials offering activities at two levels. Develops language learning skills with activities such as dictionary and pronunciation work.

VIAJES: INTRODUCCION AL ESPAÑOL, Second Edition, is a perfect fit for introductory Spanish courses in which instructors want comprehensive coverage in one academic year without compromising the authenticity of the interactions and the quality of the content. Known for many years as Barron's Easy Way Series, the new editions of these popular self-teaching titles are now Barron's E-Z Series. Brand-new cover designs reflect all new page layouts, which feature extensive two-color treatment, a fresh, modern typeface, and more graphic material than ever-- charts, graphs, diagrams, instructive line illustrations, and where appropriate, amusing cartoons. Meanwhile, the quality of the books' contents remains at least as high as ever. Barron's E-Z books are self-help manuals focused to improve students' grades in a wide variety of academic and practical subjects. For most subjects, the level of difficulty ranges between high school and college-101 standards. Although primarily designed as self-teaching manuals, these books are also preferred by many teachers as classroom supplements--and for some courses, as main textbooks. E-Z books review their subjects in detail, and feature both short quizzes and longer tests with answers to help students gauge their learning progress. Subject heads and key phrases are set in a second color as an easy reference aid. Barron's heavily revised and updated E-Z Spanish presents a beginner's introduction to speaking, understanding, and writing in Spanish, with emphasis on oral proficiency. All stories and exercises have been modernized.

Part of the "Breakthrough Language" series, this book helps the reader with the study of Spanish. The following subjects are discussed: directions, time, likes and dislikes, the weather, shopping, getting information and making travel arrangements.

The fast, easy way to master the essentials of Spanish Now, learning Spanish can be as easy as uno, dos, tres! Combining the quick-reference virtues of a phrase book with the learning tools of a full-fledged language course, this popular guide gives you a solid start. Completely revised and updated for today's usage, Practical Spanish Grammar gives you: * A proven interactive format that has been tested, rewritten, and retested to ensure you can teach yourself at your own pace * Exercises to reinforce what you've learned * Clear explanations of approximately 80 percent of Spanish grammatical structures * Over 1,000 of the most frequently used Spanish words * Sample dialogues with cultural notes and lists of terms

Breakthrough Spanish 2 is part of the highly acclaimed Breakthrough Languages Series which has sold millions of copies world-wide. It is a revised, almost entirely rewritten, edition of Breakthrough Further Spanish and now follows on smoothly from the New Breakthrough Spanish course. New illustrations complement the user-friendly page layout and almost all of the studio recordings are new. Location recordings teach the new language as it is spoken in the Spanish-speaking world. The course concentrates primarily on conversational and reading skills. Ideal for self-study Breakthrough is also used widely in further, adult and higher education. Also available for Breakthrough Spanish level 1 are a Activity Book, and Teacher's Guides and Cassettes. The course is also available on CD-Rom - Breakthrough Spanish Interactive on CD-Rom.

An exciting new series of study guides that lets each student design a course of study pitched to his or her individual needs and learning style Each year, more than one million U.S. high school students take one or more advanced placement (AP) exams, and, according to official projections, that number will continue to rise in the years ahead. That is because AP exams confer important benefits on those who do well on them. High AP scores are indispensable to gaining admission to most elite colleges.

They provide students with a competitive edge when competing for grants and scholarships. And they allow students to bypass required university survey courses, saving on skyrocketing tuition fees. Designed to coincide perfectly with the most current AP exams, Five Steps to a 5 on the Advanced Placement Examinations guides contain several advanced features that set them above all competitors. Each guide is structured around an ingenious Five-Step Plan. The first step is to develop a study plan, the second builds knowledge, the third and fourth hone test-taking skills and strategies, and the fifth fosters the confidence students need to ace the tests. This flexible study tool is also tailored to three types of students. For the more structured student there is a "Month-by-Month" approach that follows the school year and a "Calendar Countdown" approach that begins with the new year. For students who leave studying to the last minute "Basic Training" covers the basics in just four weeks. Other outstanding features include: Sample tests that closely simulate real exams Review material based on the contents of the most recent tests Icons highlighting important facts, vocabulary, and frequently-asked questions Boxed quotes offering advice from students who have aced the exams and from AP teachers and college professors Websites and links to valuable online test resources, along with author e-mail addresses for students with follow-up questions Authors who are either AP course instructors or exam developers

The new Must Know series is like a lightning bolt to the brain Developing a good grasp of Spanish doesn't have to be a frustrating experience. This book offers a unique approach to self-study that makes it easier to build new Spanish skills. Every school subject has must know ideas, or essential concepts, that lie behind it. This book will use that fact to help you learn in a unique way. Most study guides start a chapter with a set of goals, often leaving the starting point unclear. In Must Know High School Basic Spanish, however, each chapter will immediately introduce you to the must know idea, or ideas, that lie behind the new Spanish topic. As you learn these must know ideas, the book will show you how to apply that knowledge to speaking, reading, and writing Spanish. Focused on the essential concepts of Spanish, this accessible guide will help you develop a solid understanding of the subject quickly and painlessly. Clear explanations are accompanied by numerous examples and followed with more challenging aspects of Spanish. Practical exercises close each chapter and will instill you with confidence in your growing Spanish skills. Must Know High School Basic Spanish features: • Each chapter begins with the must know ideas behind the new topic • Extensive examples illustrate these must know ideas • Students learn how to apply this new knowledge to speaking, reading, and writing Spanish • 250 practical review questions instill confidence • IRL (In Real Life) sidebars present real-life examples of the subject at work in culture, science, and history • Special BTW (By the Way) sidebars provide study tips, exceptions to the rule, and issues students should pay extra attention to • Bonus app includes 100 flashcards to reinforce what students have learned
