Robert E. Howard- Biography and more!

This 860-page collection contains all of Robert E. Howard's Conan the Cimmerian stories published during his lifetime, contextualized with biographical details of their author. The hardcover, a Multimedia Bundle Edition, includes the e-book and audiobook editions as well as downloadable bonus content. Excerpt from Introduction: "When the first Conan of Cimmeria story appeared in the pages of Weird Tales magazine in December 1932, nothing quite like it had ever before appeared in print. Author Robert E. Howard had been writing stories broadly similar to it for half a decade; but it was with Conan, and the Hyborian Age storyworld in which he was placed, that Howard finally fully doped out the sub-genre that would become known as "sword and sorcery," of which Howard is today considered the founding father. "Conan's origins date back to an experiment in 1926 titled "The Shadow Kingdom," featuring the character Kull, exile of Atlantis. The idea -- Howard's great innovation -- was, at its core, historical fiction set in a pre-historical period. That pre-historical period -- being, of course, lost in the mists of time -- could contain anything Howard might like to include: evil races of sentient snake-things, sorcerers, undead creatures, demons walking upon the earth, anything. "In other words

Howard was creating a secular mythology. "And as with any mythology, secular or no, there would be a hero, a Ulysses or a Theseus, an exceptional man of legend striding through that myth-world, sword in hand, righting wrongs and slaying supernatural monsters and, along the way, providing metaphorical insight onto his world and ours." At the same time, he was finding success with another historical-fiction-fusion innovation: The grim, savage English Puritan Solomon Kane. Kane's world was the skull-strewn chaos of Europe and north Africa during the Thirty Years War, in the early 1600s. Little enough is known about specific events during that dark time that it was possible to take historical liberties with it as a storyworld, so that it could accommodate dark magic, walking skeletons, vampires, magic staffs, and, of course, N'Longa the witch-doctor. "Howard quickly realized he was onto something with Solomon Kane. The first Solomon Kane story, "Red Shadows," appeared in August 1928 in *Weird Tales*, and readers loved it. Here was a dark, brooding world of menace and witchcraft connected pseudo-genealogically to their own. It was easy for readers to "take the ride" -- to suspend their disbelief and envision Kane's adventures as a part of the real world. "But, perhaps the connection with the real world was too close. The countries of 1630s Europe are well known; the causes of the conflict fully understood. There was only so much Howard could do in Solomon Kane's world. Moreover, Solomon Kane is just a hard character to root for. Unlike Kull, he is, not to put too fine a point on it, really not a sane man. "So it makes perfect sense that after the shadowy, prehistoric world of Kull and the dark, necromantic world of Solomon Kane,

Howard would combine these two precursors to develop a world that was far enough the distant past to be free of actual historical constraints -- like Kull's -- yet close enough to the present to still exist as echoes and legends in the world's mythologies. "And so Howard created The Hyborian Age, circa 10,000 B.C. And to play the role of our avatar as we explore this shadowy, almost-historical world, he gave us Conan the Cimmerian - to triumph over the jeweled thrones of the Earth under his sandalled feet."

About Conan: Conan the Barbarian (also known as Conan the Cimmerian) is a fictional sword and sorcery hero who originated in pulp fiction magazines and has since been adapted to books, comics, several films (including Conan the Barbarian and Conan the Destroyer), television programs (cartoon and live-action), video games, role-playing games and other media. The character was created by writer Robert E. Howard in 1932 via a series of fantasy stories published in Weird Tales magazine. Conan the Character: Conan is a Cimmerian. From Robert E. Howard's writings (The Hyborian Age among others) it is known that the Cimmerians were based on the Celts or Gaels. He was born on a battlefield and is the son of a village blacksmith. Conan matured quickly as a youth and, by age fifteen, he was already a respected warrior who had participated in the destruction of the Aquilonian outpost of Venarium. After its demise, he was struck by wanderlust and began the adventures chronicled by Howard, encountering skulking monsters, evil wizards, tavern wenches, and beautiful princesses. He roamed throughout the Hyborian Age nations as a thief, outlaw, mercenary, and pirate. As he grew older, he began commanding larger units of men and escalating his ambitions. In his forties, he seized the crown of the tyrannical king of Aquilonia, the most

powerful kingdom of the Hyborian Age, having strangled the previous ruler on the steps of the throne. Conan's adventures often result in him performing heroic feats, though his motivation for doing so is largely to protect his own survival or for personal gain.

These early works by Robert E. Howard were originally published in the early 20th century and we are now republishing them with a brand new introductory biography. 'The Tales of Conan the Barbarian' is a compilation of Howard's stories in the Conan series and include 'Beyond the Black River', 'Black Colossus', 'Queen of the Black Coast', and many more. Robert Ervin Howard was born in Peaster, Texas in 1906. During his youth, his family moved between a variety of Texan boomtowns, and Howard - a bookish and somewhat introverted child - was steeped in the violent myths and legends of the Old South. At fifteen Howard began to read the pulp magazines of the day, and to write more seriously. The December 1922 issue of his high school newspaper featured two of his stories, 'Golden Hope Christmas' and 'West is West'. In 1924 he sold his first piece - a short caveman tale titled 'Spear and Fang' - for \$16 to the not-yet-famous Weird Tales magazine. Howard's most famous character, Conan the Cimmerian, was a barbarian-turned-King during the Hyborian Age, a mythical period of some 12,000 years ago. Conan featured in seventeen Weird Tales stories between 1933 and 1936 which is why Howard is now regarded as having spawned the 'sword and sorcery'

genre. The Conan stories have since been adapted many times, most famously in the series of films starring Arnold Schwarzenegger. Fourteen short stories featuring Conan the Barbarian present in the first of three intended volumes several of the sword-wielding fantasy hero's most popular adventures, complemented by lavish black-and-white illustrations as well as a number of the author's original drafts and synopses.
