

Gods Sages And Kings David Frawley Free

This is the first book on marma therapy published in the West. It clearly describes the 107 main marma points in location, properties and usage. It explains in detail how to treat them with many methods including massage, aromas, herbs and yoga practices. Ayurveda and Marma Therapy is an essential reference guide for all students of Yoga, Ayurveda, massage or natural healing.

The Path of the Rishi is one of the first and most detailed books published in the West on the ancient Vedic origins of Yoga, including all aspects of its philosophy and practice. The book reveals secrets of the Vedic Yoga from the teachings of Sri Aurobindo, Ganapati Muni, Brahmarshi Daivarat, and Swami Veda Bharati as well as Vamadevas own insights. It challenges popular ideas of the meaning of Yoga and brings Yoga back to the vision of the ancient Himalayan Rishis. For more than 30 years, Yoga Journal has been helping readers achieve the balance and well-being they seek in their everyday lives. With every issue, Yoga Journal strives to inform and empower readers to make lifestyle choices that are healthy for their bodies and minds. We are dedicated to providing in-depth, thoughtful editorial on topics such as yoga, food, nutrition, fitness, wellness, travel, and fashion and beauty.

For decades, schoolbooks have taught that Sumer was the cradle of civilization. Conventional scholarship has also held that Aryan civilization came to India by way of invasions from the north. But in this ground-breaking book, three renowned scholars show that there was no "Aryan invasion," and that India, not Sumer, was the cradle of civilized humanity. Through exploring the rich symbols, metaphors, and myths of the Vedas, this book also examines the wealth of India's spirituality and its relevance for today's world.

Gods, Sages and Kings

The Real Life of the Man Who Ruled Israel

Presents the Ayurvedic treatment of common diseases, covering over eighty different ailments from the common cold to cancer.

In the year 1464, the Kingdom is engulfed by civil war as the renowned houses of Lancaster and York fight to the death for the crown of England. Richard, Duke of Gloucester, the future Richard III, arrives, aged twelve, for the safety of Middleham Castle to begin his training for knighthood. His new companions discover he can change from kindness to cold rage within the wink of an eye. Men, it was said, watched him with wary eyes, for they knew when the young pup found his teeth, he would make a dangerous enemy. Far in the north, Margaret of Anjou, warrior Queen to Henry VI, prepares to fight against the advancing armies of Edward IV. Why does she abandon her husband, and flee to France vowing never to return? Who blackmails her, seven years later, to join forces with her most hated enemy, to return and fight once again for the crown of England? King Edward IV, tall, handsome, and clever, is a brilliant warrior, whose Achilles' heel is women; he loves them all. What dark forces drive him into a secret marriage that rips his kingdom apart? He is forced to fight Louis XI of France, and the mighty Earl of Warwick, not only for his crown but also his life. From the courts of Edward IV, Louis XI, and Margaret of Anjou, comes intrigue, betrayal, witchcraft, and love. The Dreams of Kings weaves plots and characters together to make a roller-coaster read of the period they call the WAR of the ROSES.

Lord Shiva is the personification of all the main practices of Yoga, as the origin and ruling power over asana, prana, mantra, inner seeing and meditation. The current book unfolds the presence, light, energy and consciousness of the Supreme Shiva to take us beyond all death and duality.

The Open Access version of this book, available at www.taylorfrancis.com/books/9781472453983, has been made available under a Creative Commons Attribution-Non Commercial-No Derivative 4.0 license. Experiences of hearing the voice of God (or angels, demons, or other spiritual beings) have generally been understood either as religious experiences or else as a feature of mental illness. Some critics of traditional religious faith have dismissed the visions and voices attributed to biblical characters and saints as evidence of mental disorder. However, it is now known that many ordinary people, with no other evidence of mental disorder, also hear voices and that these voices not infrequently include spiritual or religious content. Psychological and interdisciplinary research has shed a revealing light on these experiences in recent years, so that we now know much more about the phenomenon of "hearing voices" than ever before. The present work considers biblical, historical, and scientific accounts of spiritual and mystical experiences of voice hearing in the Christian tradition in order to explore how some voices may be understood theologically as revelatory. It is proposed that in the incarnation, Christian faith finds both an understanding of what it is to be fully human (a theological anthropology), and God's perfect self-disclosure (revelation). Within such an understanding, revelatory voices represent a key point of interpersonal encounter between human beings and God.

The Secret Book of Kings
A Novel

This best-selling tale is based on the biblical figures of David, Saul, and Absalom. For the many Christians who have experienced pain, loss, and heartache at the hands of other believers, this compelling story offers comfort, healing, and hope. Christian leaders and directors of religious movements throughout the world have recommended this simple, powerful, and beautiful story to their members and staff. You will want to join the thousands who have been profoundly touched by this incomparable story.

"Gods, Sages and Kings presents a remarkable accumulation of evidence pointing to the existence of a common spiritual culture in the ancient world from which present civilization may be more of a decline than an advance. The book is based upon new interpretation of the ancient Vedic teachings of India, and brings out many new insights from this unique source often neglected and misinterpreted in the West. In addition, it discusses recent archaeological discoveries in India whose implications are now only beginning to emerge."--Publisher.

In this groundbreaking work that sets apart fact and legend, authors Finkelstein and Silberman use significant archeological discoveries to provide historical information about biblical Israel and its neighbors. In this iconoclastic and provocative work, leading scholars Israel Finkelstein and Neil Asher Silberman draw on recent archaeological research to present a dramatically revised portrait of ancient Israel and its neighbors. They argue that crucial evidence (or a telling lack of evidence) at digs in Israel, Egypt, Jordan, and Lebanon suggests that many of the most famous stories in the Bible—the wanderings of the patriarchs, the Exodus from Egypt, Joshua's conquest of Canaan, and David and Solomon's vast empire—reflect the world of the later authors rather than actual historical facts. Challenging the fundamentalist readings of the scriptures and marshaling the latest archaeological evidence to support its new vision of ancient Israel, *The Bible Unearthed* offers a fascinating and controversial perspective on when and why the Bible was written and why it possesses such great spiritual and emotional power today.

The Old Testament is an ancient collection of theological reflections of life with God that the church has claimed as authoritative Scripture. Whereas most introductory books march from Genesis to Malachi, this book engages four important leadership roles across the breadth of the Old Testament canon: king, prophet, priest, and sage. Despite the obvious differences between the societies of ancient Israel and modern America, lessons can be learned from our ancestors in the faith. This engaging volume is intended for people who want to know more about the Old Testament, whether in personal study, church groups, college classrooms, or seminary courses. The book may be used profitably in concert with *Theological Themes of the Old Testament: Creation, Covenant, Cultus, and Character* (Cascade Books, 2010).

This is a definitive and easy to understand guide to the essential as well as devotional heart of the Vedic/Hindu philosophy. Using numerous references, it gives you access to the most important knowledge presented in the Vedic texts regarding your real potential and spiritual identity. Thus, it is especially good for anyone who lacks the time to research the many topics that are contained within the library of Vedic manuscripts and to see their insights and wisdom. Some of the topics you will find include: A complete review of all the Vedic texts and the wide range of topics they contain, and their philosophical conclusion. The uniqueness and freedom in the Vedic system of self-discovery. A description of the main yoga processes and their effectiveness, and the real purpose of yoga. A review of the main Vedic Divinities, such as Krishna, Radharani, Vishnu, Lakshmi, Shiva, Durga, Ganesh and others. All the essential teachings of Lord Krishna. The most effective spiritual process for this modern age and what it can do for you, with practical instructions for deep realizations, and much more. This book provides you with a complete process for advancing on the spiritual path, making way for individual empowerment, freedom, and spiritual illumination.

1 Chronicles 29:29 Now the acts of David the king, first and last, behold, they are written in the book of Samuel the seer, and in the book of Nathan the prophet, and in the book of Gad the seer, 2 Chronicles 9:29 Now the rest of the acts of Solomon, first and last, are they not written in the book of Nathan the prophet, and in the prophecy of Ahijah the Shilonite, and in the visions of Iddo the seer against Jeroboam the son of Nebat?http: //THEBOOKOFNATHANTHEPROPHET.com A Documented Lost Book of a Prophetic Bible

Evidence from Shang oracle bones to memorials submitted to Western Han emperors attests to a long-lasting debate in early China over the proper relationship between humans and gods. One pole of the debate saw the human and divine realms as separate and agonistic and encouraged divination to determine the will of the gods and sacrifices to appease and influence them. The opposite pole saw the two realms as related and claimed that humans could achieve divinity and thus control the cosmos. This wide-ranging book reconstructs this debate and places within their contemporary contexts the rival claims concerning the nature of the cosmos and the spirits, the proper demarcation between the human and the divine realms, and the types of power that humans and spirits can exercise. It is often claimed that the worldview of early China was unproblematically monistic and that hence China had avoided the tensions between gods and humans found in the West. By treating the issues of cosmology, sacrifice, and self-divinization in a historical and comparative framework that attends to the contemporary significance of specific arguments, Michael J. Puett shows that the basic cosmological assumptions of ancient China were the subject of far more debate than is generally thought.

History has an unsettling effect on religion. Like science, history is fundamentally nothing more than a range of theories based on objective evidence. Mythology becomes a byword for a tradition's history, and history in the objective sense that we understand it today becomes distorted. Thus through time both myth and history blend into an entertaining story of the world around them and their role in that world.

Yoga and Ayurveda together form a complete approach for optimal health, vitality and higher awareness.

YOGA AND AYURVEDA reveals to us the secret powers of the body, breath, senses, mind and chakras.

More importantly, it unfolds transformational methods to work on them through diet, herbs, asana, pranayama and meditation. This is the first book published in the West on these two extraordinary subjects and their interface. It has the power to change the lives of those who read and apply it.

Did the ancients have the technology of flight? In this incredible volume on ancient India, authentic Indian texts such as the Ramayana and the Mahabharata, are used to prove that ancient aircraft were in use more than four thousand years ago. Included in this book is the entire Fourth Century BC manuscript Vimaanika Shastra by the ancient author Maharishi Bharadwaja, translated into English by the Mysore Sanskrit professor G.R. Josyer. Also included are chapters on Atlantean technology, the incredible Rama Empire of India and the devastating wars that destroyed it. Also an entire chapter on mercury vortex propulsion and mercury gyros, the power source described in the ancient Indian texts. Not to be missed by those interested in ancient civilizations or the UFO enigma. Tons of illustrations!

This text presents an overview of Indian spiritual tradition and its relevance to the modern mind. It introduces Vedic knowledge as the mystical traditions and as a complete system of spiritual science, including the practice of yoga as part of a field of spiritual culture.

In *The Unseen Realm*, Dr. Michael Heiser examines the ancient context of Scripture, explaining how its supernatural worldview can help our understanding of God. He illuminates intriguing and amazing passages of the Bible that have been hiding in plain sight. You'll find yourself engaged in an enthusiastic pursuit of the truth, resulting in a new appreciation for God's Word. Why wasn't Eve surprised when the serpent tempted her? How did descendants of the Nephilim survive the flood? Why did Jacob fuse Yahweh and his Angel together in his prayer? Who are the divine beings that God presides over? In what way do those beings participate in God's decisions? Why do Peter and Jude promote imprisoned spirits? Why does Paul describe evil spirits in terms of geographical rulership? Who are the "glorious ones" that even angels rebuke? After reading this book, you may never read your Bible the same way again. Endorsements "There is a world referred to in the Bible that is quite unseen, but also quite present and active. Michael Heiser's *The Unseen Realm* seeks to unmask this world. Heiser shows how important it is to understand this world and appreciate how its contribution helps to make sense of Scripture. The book is clear and well done, treating themes that often go unseen themselves. With this book, such themes will no longer be neglected, so read it and discover a new realm about what Scripture teaches." --Darrell L. Bock, Executive Director for Cultural Engagement, Senior Research Professor of New Testament Studies, Howard G. Hendricks Center for Christian Leadership and Cultural Engagement "How was it possible that I had never seen that before? This is a survey of the complex reality of the supernatural world as the Scriptures portray it covers a subject that is strangely sidestepped. No one can disagree with everything in his book, but the subject deserves careful study, and so does this book." --John Goldingay, David Allan Hubbard Professor of Old Testament, School of Theology, Fuller Theological Seminary "This is a 'big' book in the best sense of the term. It is big in its scope and depth of analysis. Michael Heiser is a scholar who knows Scripture intimately in its ancient cultural context. All--scholars, clergy, and laypeople who read this profound and accessible book will grow in their understanding of both the Old and New Testaments, particularly as their eyes are opened to the Bible's 'unseen world.'" --Tremper Longman III, Robert H. Gundry Professor of Biblical Studies, Westmont College

Modern science and ancient wisdom traditions agree that the universe is a symphony of vibrational frequencies. In this beautiful, comprehensive and unique work, Dr. Frawley elaborates the essential truths about cosmic sound, and how we can employ important mantras for healing, transformation, and inner awakening.

Arise Arjuna

Energy Points in Yogic Healing

India faces a modern Kurukshetra as the forces of dharma and adharma clash again in a conflict that will determine the future of the nation. On one side are the forces of economic growth, cultural revival and a

renewed vision of the country in harmony with its yogic values. On the other side are forces of religious prejudices, baseless propaganda, social division and materialistic political ideologies. Mere retreat, passivity or compromise cannot overcome past adversaries or the new dangers that are lurking in our conflicted media age, its invasive technology and the disruptive clash of cultures. India needs to benefit from the opportunities of the dawning knowledge era where its dharmic traditions can prosper once again. A new spiritual warrior, equipped with yogic power and Vedantic insights, is necessary like Arjuna was under the guidance of Sri Krishna. This book is a call for new Arjunas to emerge among us, learn the skills of the information age and uphold the cause of dharma with discernment and dedication on both intellectual and spiritual levels. Only through this can we awaken our spirit to uplift our world at this critical juncture of human history when the very foundations of life are threatened.

This book provides evidence that the ancient Vedic tradition that is presently centered in India was once a global culture that affected and influenced regions around the world.

"The Rig Veda is not only one of the oldest sacred scriptures of the world, but also one of the most misunderstood. Past scholarship has dismissed the hymns of the Rig Veda as being expressions of a primitive animistic mentality that only rarely rose to true spiritual and philosophical heights. David Frawley's book demonstrates that this judgmental view is ill-founded. His fine renderings of select Vedic hymns bear witness to the fact that their composers were sages and seers--powerful poets who knew the art of symbolic and metaphoric communication. The Vedic hymns give us a unique glimpse not into a primitive mentality but a mentality and culture that revolved around the highest spiritual values and visions. This is an important and riveting book, ushering in a new and sounder tradition of Vedic interpretation and scholarship." Georg Feuerstein

"Magisterial. . . A learned, brilliant and enjoyable study."—Géza Vermès, Times Literary Supplement In this exciting book, Paula Fredriksen explains the variety of New Testament images of Jesus by exploring the ways that the new Christian communities interpreted his mission and message in light of the delay of the Kingdom he had preached. This edition includes an introduction reviews the most recent scholarship on Jesus and its implications for both history and theology. "Brilliant and lucidly written, full of original and fascinating insights."—Reginald H. Fuller, Journal of the American Academy of Religion "This is a first-rate work of a first-rate historian."—James D. Tabor, Journal of Religion "Fredriksen confronts her documents—principally the writings of the New Testament—as an archaeologist would an especially rich complex site. With great care she distinguishes the literary images from historical fact. As she does so, she explains the images of Jesus in terms of the strategies and purposes of the writers Paul, Matthew, Mark, Luke, and John."—Thomas D'Evelyn, Christian Science Monitor

A Guide to Speaking Faith-Filled Words

Vedic Secrets of Ancient Civilization

God's Problem

The Black Man: the Father of Civilization Proven by Biblical History

Yoga Journal

Ayurvedic Healing

David, King of the Jews, possessed every flaw and failing a mortal is capable of, yet men and women adored him and God showered him with many more blessings than he did Abraham or Moses. His sexual appetite and prowess were matched only by his violence, both on the battlefield and in the bedroom. A charismatic leader, exalted as "a man after God's own heart," he was also capable of deep cunning, deceit, and betrayal. Now, in King David: The Real Life of the Man Who Ruled Israel, bestselling author Jonathan Kirsch reveals this commanding individual in all his glory and fallibility. In a taut, dramatic narrative, Kirsch brings new depth and psychological complexity to the familiar events of David's life--his slaying of the giant Goliath and his swift challenge to the weak rule of Saul, the first Jewish king; his tragic relationship with Saul's son Jonathan, David's cherished friend (and possibly lover); his celebrated reign in Jerusalem, where his dynasty would hold sway for generations. Yet for all his greatness, David was also a man in thrall to his passions--a voracious lover who secured the favors of his beautiful mistress Bathsheba by secretly arranging the death of her innocent husband; a merciless warrior who triumphed through cruelty; a troubled father who failed to protect his daughter from rape and whose beloved son Absalom rose against him in armed insurrection. Weaving together biblical texts with centuries of interpretation and commentary, Jonathan Kirsch brings King David to life in these pages with extraordinary freshness, intimacy, and vividness of detail. At the center of this inspiring narrative stands a hero of flesh and blood--not the cartoon giant-slayer of sermons and Sunday school stories or the immaculate ruler of legend and art but a magnetic, disturbingly familiar man--a man as vibrant and compelling today as he has been for millennia.

"This volume, by Biblical scholar Yochi Brandes, is a riveting novel based on textual sources about the experiences of David and Solomon. Its lessons are also relevant for our turbulent time." —Elie Wiesel, #1 New York Times and internationally bestselling author of Night In the tradition of The Red Tent from internationally bestselling author Yochi Brandes comes the stories of the struggles of King David and King Saul in the early days of the Kingdom of Israel,

seen through the eyes of Michal, Saul's daughter and David's abandoned queen. Stories are deadlier than swords. Swords kill only those who stand before them, stories decide who will live and die in generations to come. Shelomoam, a young man from the tribe of Ephraim, has grown up in the shadow of dark secrets. He wonders why his father is deathly afraid of the King's soldiers and why his mother has lied about the identities of those closest to him. Shelomoam is determined to unearth his mysterious past, never imagining where his quest will ultimately lead him. The Secret Book of Kings upends conventions of biblical novels, engaging with the canonized stories of the founding of the Kingdom of Israel and turning them on their heads. Presented for the first time are the heretofore unknown stories of the House of Saul and of the northern Kingdom of Israel, stories that were artfully concealed by the House of David and the scribes of the southern Kingdom of Judah. Yochi Brandes, one of Israel's all-time bestselling novelists, enlists her unique background in both academic Jewish scholarship and traditional religious commentaries to read the Bible in an utterly new way. In this book, a major publishing phenomenon in Israel and one of the bestselling novels in the history of the country, she uncovers vibrant characters, especially women, buried deep within the scriptures, and asks the loaded question: to what extent can we really know our past when history is written by the victors?

What Is Hinduism? provides one of the most provocative, engaging and detailed examinations of this oldest religious and spiritual tradition in the world. Followed by over a billion people, including a great majority in India, Hinduism is the third largest religion in the world. The teachings of Yoga and Vedanta are followed by millions in every continent. Enriched with a profound pluralistic view, Hinduism emphasizes that the Truth is One but has many paths. Yet, despite its universality, Hinduism remains the most misunderstood of the world's major religions, partly because of its antiquity and the vast extent of its teachings. Acknowledging the importance of the religion and its growing influence globally, David Frawley has addressed the prime teachings of Hinduism, its role in India, its place in the information age and has compiled an exhaustive set of questions and answers dwelling on all the significant issues. This essential learning helps us understand our spiritual heritage as a species and the place of India among the greatest civilizations of the world- ancient and modern. Further, the book charts out how Hindus can overcome the challenges confronting them today and communicate their diverse tradition more effectively, making it an ideal book for the Hindu youth.

This book provides an excellent introduction to the essence of Hindu Tantrism, discussing all the major concepts and correcting many existing misconceptions.
