Taken. Brutalized. Claimed. My mate became mine during a heinous experiment designed to punish her for her disobedience. The scientists who locked me in a cage and stole my humanity gave her to me to ravage. To break. But she is far more than a warm body to distract me from my torment. She is mine. They took everything from me - but I won't let them do the same to her. She fears me, but there is nothing I won't give to save her. Even my own life. Despair is the second book in Nora Ash's suspense-filled Omegaverse serial, Feral. Please note: This series gets dark, and it gets dirty. If you don't enjoy your romance scorching and your alphas rough & dominant, give this book a pass. For fans of

Mitten Strings for God

Elements of Photogrammetry with Application in GIS, Fourth Edition

Feral: Despair (Book #2)

The play's the thing . . . To the outside world, Tom Pryne is an orphan traveling Elizabethan England with his uncle's theater troupe. In actuality, "Tom" is Viola, in disguise because her parents' Catholic sympathies have put them at odds with the

Crown and forced them into hiding. When the troupe arrives in the sleepy little town of Stratford-on-Avon, Viola's uncle is arrested for murder, and she joins forces with an irksome local boy, named Will Shakespeare, with an active imagination, a penchant for trouble, and a smart turn of phrase, to uncover the real culprit. A perfect blend of humor, drama, and adventure and a rich evocation of 16th-century England inform this fresh and original historical mystery that introduces an appealing pair of amateur sleuths.

Everyone calls me Pumpkin. Firstly, because I was a fat, chubby-cheeked baby. And, secondly, because when Ma was pregnant with me, no matter how much pumpkin she ate, she just couldn't get enough ...'. Lusaka. 1978. Pumpkin is nine years old. Her fashionable mother is the queen of Tudu Court, but underneath the veneer of respectability that her father's money provides lies a secret that threatens their whole world - the tall, elegant Totela Ponga is a drunk. And when Pumpkin's father - the wealthy businessman JS - discovers her

mother's alcoholism it sets in motion a chain of events that come to define the rest of her life. Weaving together the stories of three generations of women, this novel is a patchwork of love, jealousy and human frailty set against a backdrop of war and political ambition. It is a remarkable journey that takes us deep into the heart of a family both fractured and bound together by their love for one man.

In 1940, when Elena was twenty, she and her family were declared civilian internees by the Italian Fascists. Banished from their

home in Genoa, they left behind their work in helping Jews to escape Europe. This well-connected Dutch family of Jewish heritage, who counted Albert Einsteins family amongst their intimates, lost their privileged existence: Elenas reign as an equestrian champion was over and her father was stripped of his beloved shipping business. They found refuge in Florence. Always conscious of the gifts bestowed by Fate and the skills of a wily father, and despite their own hardships, they continued to reach out to hard-pressed civilians

suffering under the lash of Fascism and Nazism. The hallmarks of this family were humour, tolerance and adaptability and when the Allied forces arrived in Florence the Van Praags found themselves catapulted into new associations and useful roles. This sociable family attracted men from the British, American and South African forces and thus Elena met and fell in love with her South African captain. Elenas story gives an understanding of, and human face to, the Allied forces Italian Campaign from civilian and military perspectives. Her tender and

enduring love affair with her husband led her to a new country after the war. They settled on the south coast of KwaZulu Natal and made an invaluable contribution to the development of their new community, as so many ex-servicemen, whose steel had been tempered in the fire of the Second World War, were given the opportunity to do. Her biography is a celebration of the triumph of the human spirit over the horrors of dictatorship and war. It is a reminder of the good of which man is capable, but also the evil he so often chooses instead.

thrower, is joining Alice-Miranda's family for term break. Who would have thought it! The two girls are looking forward to a relaxing holiday at Highton Hall. But a cranky boy is causing mischief on the estate, a movie star has come to visit, and a stranger is snooping about. Add a naughty pony, a hint of romance and a dastardly scheme, and Jacinta and Alice-Miranda might have a more exciting holiday than they were expecting.

Have you ever wondered what it would be like to be a dominant woman who can control a man with just a look or a word? When the thoughts of being in control creep into your head, that sexy little smile starts to play over your lips, and you start to get some ideas that you want to try on your man. As women, we have all been there, but being women, many of us are unable

Get Free Mistress Audiobook Rar

to take hold of our control and dominate a man. The idea of being a dominatrix is often seen as a sexual and social taboo, and many women are afraid of what society would say, what our family and friends would think, and in general, we feel that it isn't the position of a woman to take the stance of power and control. Women are seen naturally as the weaker sex, the one to be protected by a man, and the man in the relationship is often seen to be in control, the leader, the strong and dominant one. Social norms often dictate how we feel about ourselves, and sometimes, it can hinder who we really are inside. Take heed, ladies. We are women. We are strong. We are powerful. We are fierce. We are romantic. We are dynamic. We are caring. We are fighters. We are lovers. We are women! This manual will give you an inside look on what being a Mistress is really all

Get Free Mistress Audiobook Rar

about and will give you insight on how to be a Mistress. Being a Mistress isn't all about leather outfits, stiletto heels, and a whip in your hand. It is a journey between you and your partner, where you are the leader, you are in control, and you have the final say. It is a path of adventure where you make the choices, you take charge, and where you can let all of your inhibitions go. It will give you insight into a new you, the one who has been trapped behind the social norms for far too long. Ladies, welcome your inner Mistress!

Toast a marshmallow, be a tree in winter, read braille -- Paul B. Janeczko and Richard Jones invite you to enjoy an assortment of poems that inform and inspire. Today I walked outside and spied a hedgehog on the hill. When she and I met eye to eye, she raised up straight and still. Be they practical (how to mix a

over?now it's her turn.

Fourteen provocative papers on the oppression of women in capitalist countries, along with three articles on the subordinate position of women in two communist countries, Cuba and China. These important, often path-breaking articles are arranged in five basic sections, the titles of which indicate the broad range of issues being considered: Introduction; motherhood, reproduction, and male supremacy; socialist feminist historical analysis; patriarchy in revolutionary society; socialist feminism in the United States. The underlying thrust of the book is toward integrating the central ideas of radical feminist thought

Book 2

Harlequin Comics

A Fall of Marigolds

The Flower of Battle is Colin Hatcher's translation of Fiore dei Liberi's art of combat

from the early 15th century. The work included high-resolution images and English text laid out in the manner of the original. Here in his first non-Shannara novel, Terry Brooks has written a gripping story of mystery, magic, and adventure—sure to delight fantasy readers everywhere. Landover was a genuine magic kingdom, with fairy folk and wizardry, just as the advertisement has promised. But after he purchased it, Ben Holiday learned that there were a few details the ad had failed to mention. The kingdom

was in ruin. The Barons refused to recognize a king, and the peasants were without hope. A dragon was laying waste the countryside, while an evil witch plotted to destroy everything. Ben's only followers were the incompetent Court Magician; Abernathy, the talking dog who served as Court Scribe; and the lovely Willow—but she had a habit of putting down roots in the moonlight and turning into a tree. The Paladin, legendary champion of the Kings of Landover, seemed to be only a myth and an empty suit of armor. To

put the final touch on the whole affair, Ben soon learned that the Iron Mark, terrible lord of the demons, had challenged all prospective Kings of Landover to duel to the death—a duel which no human could hope to win. The task of proving his right to be King seemed hopeless. But Ben Holiday was stubborn. . . . Through stories and suggestions, Katrina Kenison shares her insights into how to celebrate life's quiet moments, softly reminding busy mothers to pause and remember the deep sense of well-being comes

from a listening ear, an open heart, and a quiet little space carved out of time. Mothers are pulled in a million different directions while trying to give their kids fulfilling, productive, joyful childhoods. They mistake activity for happiness, and fill their kids' heads with information when they ought to be feeding their souls instead. This is a book for mothers who yearn to find a balance in their own and their children's lives.

This updated classic by Maria Montessori's closest collaborator reveals the inspirations

behind the greatest educational innovator of all time Maria Montessori is important background reading for parents considering Montessori education for their children, as well as for those training to become Montessori teachers. The first woman to win a degree as a Doctor of Medicine in Italy in 1896, Maria Montessori's mission to improve children's education began in the slums of Rome in 1907, and continued throughout her lifetime. Her insights into the minds of children led her to develop prepared

environments and other tools and devices that have come to characterize Montessori education today. Her influence in other countries has been profound and many of her teaching methods have been adopted by educators generally. Part biography and part exposition of her ideas, this engaging book reveals through her letters and personal diaries Maria Montessori's humility and delight in the success of her educational experiments and is an ideal introduction to the principals and practices of the greatest

educational pioneer of the 20th century. -- The new introduction to "Maria Montessori: Her Life and Work" by Lee Havis, executive director of the International Montessori Society, discusses the changes that have taken place in Montessori education within recent years. -- An updated appendix of Montessori periodicals, courses, societies, films, and teaching materials. -- A revised bibliography of books by and about Maria Montessori.
