“ Every Pakistani from the youngest child to your eldest scholar should read this wonderful book Quotes from the Quaid with pride and joy. Each page contains at least one inspiring thought culled from the life ’ s work of your great leader, illuminating Quaid-e-Azam ’ s humane brilliance and the wisdom of his remarkable mind ” , writes Professor Stanley Wolpert in his foreword to the book. The decision by the Jinnah Society to publish Quotes from the Quaid as an e-book responds to the need for increasing awareness of Jinnah's leadership and the Pakistan Movement; the ever-increasing demand for this book from Pakistanis and the need to make Quotes from the Quaid available to all in and outside Pakistan easily as an e-book free of cost particularly in these troubled times caused by the Coronavirus all over the world. The book has previously sold more than 20,000 copies and was distributed to schools, colleges and universities for free. It was published first in 2007 by Oxford

University Press and then again in 2020 by Lightstone Publishers. Mr. Liaquat Merchant, President of The Jinnah Society, said that the sole purpose of The Jinnah Society in bringing out Quotes from the Quaid in hard copy and now as an e-book constitutes one more effort to propagate and promote the principles, ideals, and vision of the founder of Pakistan, Quaid-e-Azam Muhammad Ali Jinnah, as a nation-building exercise and thus promote the development of democratic leaders in the role model of Mr Jinnah with particular emphasis on private honour and public integrity.

Quaid-i-Azam Mohammad Ali Jinnah and the Creation of Pakistan

A Chronology

The book covers the earliest days of Pakistan's existence and depicts a triumphant and determined yet frazzled Jinnah assuming the reins of the state he had founded. It describes all the major problems that Pakistan faced at its birth and shows how the infant nation reacted to those problems.

Quaid-e-Azam Mohammad Ali Jinnah

Quaid-i-Azam Mohammad Ali Jinnah emerged as the charismatic leader of the Muslims in British India during the cataclysmic decade of 1937-47. The Muslims faced a distressful situation as India advanced towards freedom. Jinnah came to their rescue, showed them a way out of the difficulties in a separate homeland of Pakistan, and led them in their strenuous struggle for freedom and independence. This charismatic struggle is the subject of the book.

The Story of a Nation

Speeches by Quaid-e-Azam Mohd. Ali Jinnah, Founder of Pakistan, from June 1947 to August 1948

That Quaid-i-Azam Mohammad Ali Jinnah won Pakistan against impossible odds, is well known, but the real reasons for Jinnah's successes are not widely

recognized. The suspicion lingers that his policies were communal and negative and that Pakistan was a mistake. The reason for this is that the critics of Pakistan have written more voluminously and powerfully than its defenders. This book convincingly shows that it was Mahatma Gandhi who first introduced religion into politics. This ultimately drove the Hindus and the Muslims irreconcilably apart and eventually convinced even Jinnah - who had won the accolade of being the Ambassador of Hindu-Muslim Unity - that his dream of a united India was nothing but a mirage.
