Social media has traversed far greater heights than simply being a medium for user-generated content. Today, it's a tool for consumer empowerment (we all witness big conglomerates being brought to their knees by that one dissatisfied tweet or widely shared post) and a gratifying brand-consumer partnership. Even companies that have long been dismissing social media as frivolous and flippant have started taking note of its benefits. They've realized that social media is not limited to games and light-hearted opinion polls (which are also hugely successful in creating affable brands), but can involve more serious discussions and insights that are invaluable when it comes to building strong brands. Unlike traditional marketing mediums, social media doesn't swallow a huge chunk of your advertising and promotion budget. You don't need to create cost-intensive and ineffectual marketing plans that leave you broke. All you need is some creativity, perceptiveness, and an intuitive understanding about your audience's needs. More than sharp business acumen, you need a human touch. Social media gives your brand a human angle without breaking the bank. Currently, social media marketing is the most powerful tool that can help businesses to reach customers and prospects (whether small or not). But with over 88 percent of all companies selling on at least one social media platform, you can see how tempting it can be for the company to get lost in all that noise. To achieve more organic visibility, meet committed brand fans, and even generate more sales and leads on your company social media pages, you'll need a succinct marketing strategy to rise to the top. Thankfully, this book offers just that for you. The book will show you how to promote your brand on social media, peeling through the layers of the most popular social media sites to get to the heart of what makes an online marketing campaign effective. Whether you are either active on social media or have never had a Facebook account, this book will lead your social media marketing campaign every step of the way-through building your account and improving your profile, to posting content that your audience will want to connect with, and the different ways to advertising and promoting your brand for more views and followers. We will look at Facebook, YouTube, Instagram, LinkedIn and Twitter, in this book and show you that given the fierce competition, social media marketing can be effective in your business. A strong presence on social media is something that the company can't afford to miss. Continue reading to see how to create a plan that will bring thousands of followers to your profile instantly.

*****THE #1 DIGITAL MARKETING BESTSELLER NOW UPDATED – INCLUDES IN-DEPTH INSTRUCTIONS FOR FACEBOOK & INSTAGRAM ADVERTISING*** Please Note: This Book Comes With Lifetime Email Updates And A Free Expert Review Of Your Website And Marketing With A Personalised Strategic Plan To Increase Your Business Visibility. Social Media offers businesses an unprecedented opportunity to listen, join and shape conversations between prospects and customers, free of charge. We are in an era where entire businesses are built on Instagram; kids in their bedrooms are racking up tens of millions of YouTube views; bloggers are becoming millionaires from their kitchen tables, and businesses are getting more attention from a viral video than a Super Bowl ad. But in a space that moves so fast, how can businesses keep up – let alone compete? And how do you make sure that your activity is profitable? Whether it's building a targeted fanbase, selling more of your products & services or serving customers, every piece of your social media marketing campaign should be making you money. Combining the 'holy grail' marketing principles from some of history's most successful marketers with the very latest social media strategies gives savvy businesses of all size a chance to 'do' social media in an entirely new way. Gone are the days of fumbling around in the dark. The new era is about testing, measuring and profit. From the psychological triggers that make us buy; employing social proof to stand out; using (and faking) controversy to sell more or just simply demonstrating your true competitive advantage, profitable social media marketing is here. As Head Ninja at Exposure Ninja, Tim Cameron-Kitchen has personally worked with hundreds of businesses of all shapes and sizes, and seen first hand how doing the right things on social media can transform a business. Yvonne Ivanescu came to Exposure Ninja from one of the world's highest profile marketing agencies, and brought her brand experience to help business on the front line. This book is the distillation of everything that makes a profitable campaign, laid out in step-by-step instructions for you to follow and apply to your own business – whatever your size or market. So whether you're a local plumber looking to pick up leads from Twitter, or an independent e-commerce site**
