Follow a girl's perusal of her great-grandfather's collection of matchboxes and small curios that document his poignant immigration journey from Italy to a new country.

The long-awaited memoir by movie and theatre legend, Brian Cox. A Guardian, Times, Sunday Times and Independent Book of the Year "Featuring a foreword by the executive producer of Succession, Frank Rich, an executive producer of HBO's Succession, a former chief drama critic of The New York Times, and the author of the memoir Ghost Light." "One of the best showbiz memoirs ever written... it's as funny as it is furious... Brian Cox has done everything and with this book he leaves everyone else standing" - Mail on Sunday 'Absolute heaven' - Sunday Times 'A hugely readable memoir from a giant of stage and screen' - Mark Kermode 'A life well lived and a story well told. From first page to last Brian Cox the great actor is Brian Cox the great storyteller, and nobody is spared his sharp eye and his caustic wit, himself and some big Hollywood names included' - Alastair Campbell 'Laced with his characteristic generosity, self-deprecation and cut-the-crap wisdom' - Harriet Walter 'Mesmerizing' - Peter Biskind 'Blisteringly brilliant' - Bryony Gordon 'Funny and irreverent' - The Times from Titus Andronicus with the RSC to media magnate Logan Roy in HBO's Succession, Brian Cox has made his name as an actor of unparalleled distinction and versatility. We know him on screen, but few know of his extraordinary life story. Growing up in Dundee, Scotland, Cox lost his father when he was just eight years old and was brought up by his three elder sisters in the aftermath of his mother's nervous breakdowns and ultimate hospitalization. After joining the Dundee Repertory Theatre at the age of fifteen, you could say the rest is history - but that is to overlook the enormous graft that has gone into the making of the legend we know today. This is a rags-to-riches life story like no other - a seminal autobiography that both captures Cox's distinctive voice and his very soul. Rich in emotion and meaning, with plenty of laughs along the way, it will be a classic in the vein of The Moon's a Balloon by David Niven and What's It All About by Michael Caine.

The second, highly anticipated novel from Carnegie-shortlisted author Bonnie-Sue Hitchcock. Come on a journey across the rural American West . . . Meet the teenagers who live in the small towns across these states, separated by distance, but whose stories are woven together in the most unexpected of ways. Whether they are brought together by the spread of wildfire, by the priest who's moved from state to state or by the hunt for a missing child, these incredible tales blaze with secrets, rage and love. A novel like no other, this intricate, intense and beautiful book will take your breath away. 'A clever and unusual novel . . . powerful.' Sally Nicholls 'Gorgeous and compelling . . . breathtaking.' Katherine Webber 'A beautiful literary writer.' The Bookseller 'It's cut like a gemstone. Turn the pages, and facets gleam.' Hiliary McKay 'Beautifully observed and deeply satisfying.' Lisa Williamson 'Breathes life into wonderful, complex characters.' Lisa Heathfield 'A heartbreakingly brilliant tangle of teenage voices.' Judith Eagle

Around Our Table

When faced with climate change, the biggest threat that our planet has ever confronted, it's easy to feel as if nothing you do can really make a difference . . . but this book proves that individual people can change the world. With twenty inspirational stories celebrating the pioneering work of a selection of Earth Heroes from all around the globe, from Greta Thunberg and David Attenborough to Yin Yuzhen and Isatou Ceesay, each tale is a beacon of hope in the fight for the future of our planet, proving that one person, no matter how small, can make a difference. Featuring Amelia Telford, Andrew Turton and Pete Ceglinski, Bitu Sahgal, Chewang Norphel, David Attenborough, Doug Smith, Ellen MacArthur, Greta Thunberg, Isabel Soares, Isatou Ceesay, Marina Silva, Melati and Isabel Wijsen, Mohammed Rezwan, Renée King-Sonnen, Rok Rozman, Sheila Watt-Cloutier, Stella McCartney, William Kamkwamba, Yin Yuzhen and Yvon Chouinard. Featuring illustrations by Jackie Lay.

One of Barack Obama's Favorite Books of 2021 The New York Times bestseller from the Grammy-nominated indie rockstar Japanese Breakfast, an unflinching, deeply moving memoir about growing up mixed-race, Korean food, losing her Korean mother, and forging her own identity in the wake of her loss, which brought her to reclaim the gifts of taste, language, and history her mother had given her. 'As good as everyone says it is and, yes, it will have you in tears. An essential read for anybody who has lost a loved one, as well as those who haven't' – Marie-Claire 'Possibly the best book I've read all year... I will be buying copies for friends and family this Christmas.' Rukmini Iyer in the Guardian 'Best Food Books of 2021' 'Wonderful... The writing about Korean food is gorgeous... but as a brilliant kimchi-related metaphor shows, Zauner's deepest concern is the ferment, and delicacy, of complicated lives.'

Victoria Segal, Sunday Times, 'My favourite read of the year' In this exquisite story of family, food, grief, and endurance, Michelle Zauner proves herself far more than a dazzling singer, songwriter, and guitarist. With humour and heart, she tells of growing up the only Asian-American kid at her school in Eugene, Oregon; of struggling with her mother's particular, high expectations of her; of a painful adolescence; of treasured months spent in her grandmother's tiny apartment in Seoul, where she and her mother would bond, late at night, over heaping plates of food. As she grew up, moving to the east coast for college, finding work in the restaurant industry, performing gigs with her fledgling band – and meeting the man who would become her husband – her Koreanness began to feel ever more distant, even as she found the life she wanted to live. It was her mother's diagnosis of terminal pancreatic cancer, when Michelle was twenty-five, that forced a reckoning with her identity and brought her to reclaim the gifts of taste, language, and history her mother had given her. Vivacious, lyrical and honest, Michelle Zauner's voice is as radiantly alive on the page as it is onstage. Rich with intimate anecdotes that will resonate widely, Crying in H Mart is a book to cherish, share, and reread.

*An irresistible story of childhood adventure from the international phenomenon, Karl Ove Knausgaard. * Karl Ove Knausgaard's dazzling new novel, The Morning Star, is available to pre-order now * Childhood is exhilarating and terrifying. For the young Karl Ove, new houses, classes and friends are met with manic excitement and creeping dread. Adults occupy godlike positions of power, benevolent in the case of his doting mother, tyrannical in the case of his cruel father. In the now infamously direct style of the My Struggle cycle, Knausgaard describes a time in which victories and defeats are felt keenly and every attempt at self-definition is frustrated. This is a book about family, memory and how we never become quite what we set out to be. 'Knausgaard finds the sublime in the everyday... Boyhood Island reverberates with the joys and anxieties of early youth, and Knausgaard brilliantly recreates their exaggerated feel' Times Literary Supplement*

Summer's finally here, and Derek Fallon is looking forward to pelting the UPS truck with water balloons, climbing onto the garage roof, and conducting silly investigations. But when his parents decide to send him to Learning Camp, Derek's dreams of fun come to an end. Ever since he's been labeled a "reluctant reader," his mom has pushed him to read "real" books-something other than his beloved Calvin & Hobbes. As Derek forges unexpected friendships and uncovers a family secret involving himself (in diapers! no less), he realizes that adventures and surprises are around the corner, complete with curve balls. My Life as a Book is a 2011 Bank Street - Best Children's Book of the Year.

The story of a personal housing crisis that led to a discovery of the true value of home. *LONGLISTED FOR THE BAILLIE GIFFORD PRIZE* *'You will marvel at the beauty of this book, and rage at the injustice it reveals' George Monbiot* *'Incredibly moving. To find peace and a sense of home after a life so profoundly affected by the housing crisis, is truly inspirational!' Raynor Winn, author of The Salt Path* Aged thirty-one, Catrina Davies was renting a box-room in a house in Bristol, which she shared with four other adults and a child. Working several jobs and never knowing if she could make the rent, she felt like she was breaking apart. Homesick for the landscape of her childhood, in the far west of Cornwall, Catrina decides to give up the box-room and face her demons. As a child, she saw her family and their security torn apart; now, she resolves to make a tiny, dilapidated shed a home of her own. With the freedom to write, surf and make music, Catrina rebuilds the shed and, piece by piece, her own sense of self. On the border of civilisation and wilderness, between the woods and the sea, she discovers the true value of home, while trying to find her place in a fragile natural world. This is the story of a personal housing crisis and a country-wide one, grappling with class, economics, mental health and nature. It shows how housing can trap us or set us free, and what it means to feel at home.

'I always knew he was quite creative, but I had no idea he was so reckless' Lord Sugar 'The thinking woman's Bakewell tart ... Witty, interesting and underpinned by a sharp intellect' Jo Brand 'This book is a total delight - as wise and witty and surprising as the man himself' Gyles Brandreth When Nick Hewer first appeared on our TV screens in The Apprentice in 2005, he had thought he was heading towards a quiet retirement after a long and successful career in PR and marketing. Little did he realise that appearing on the show with Lord Sugar and Margaret Mountford would mean that his life was about to be transformed. Quickly, he became a regular presence in our homes, renowned for his wry sense of humour and his astute insights. But the story of how the current host of Countdown came to this point has remained largely unknown – until now. In My Alphabet, Nick Hewer takes us through an A to Z of some of the most remarkable and entertaining events his life, covering everything from his Boyhood in Swindon, when he took his Dinky toys on a most unexpected journey, to Regrets, and an episode that ended in a kidnapping. With chapters on subjects from Tottenham Hotspur to one on Underwear, there is sure to be something for all tastes within these pages. My Alphabet builds up into a brilliant and fascinating self-portrait, taking the reader on a remarkable journey that will inform, entertain and move you. We get to see behind the scenes on The Apprentice and Countdown, and much else besides. Self-deprecating and witty, Nick Hewer has written a brilliant book his many fans are sure to treasure.

Desperate to connect with his native Galloway, Patrick Laurie plunges into work on his family farm in the hills of southwest Scotland. Investing in the oldest and most traditional breeds of Galloway cattle, the Riggit Galloway, he begins to discover how cows once shaped people, places and nature in this remote and half-hidden place. This traditional breed requires different methods of care from modern farming on an industrial, totally unnatural scale.As the cattle begin to dictate the pattern of his life, Patrick stumbles upon the passing of an ancient rural heritage. Always one of the most isolated and insular parts of the country, as the twentieth century progressed, the people of Galloway deserted the land and the moors have been transformed into commercial forest in the last thirty years. The people and the cattle have gone, and this withdrawal has shattered many centuries of tradition and custom. Much has been lost, and the new forests have driven the catastrophic decline of the much-loved curlew, a bird which features strongly in Galloway's consciousness. The links between people, cattle and wild birds become a central theme as Patrick begins to face the reality of life in a vanishing landscape.

Juliette must make a choice. Be a weapon. Or a warrior. Combining a crumbling dystopian world with a compelling heroine who has inexplicable powers, Shatter Me is a mesmerising thriller. 'Addictive, intense, and oozing with romance.' – Lauren Kate, author of Fallen.

THE TIKTOK SENSATION 'Riveting, heart-wrenching and full of Old Hollywood glamour' BuzzFeed 'This wildly addictive journey of a reclusive Hollywood starlet and her tumultuous Tinseltown journey comes with unexpected twists and the most satisfying of drama' PopSugar From the author of Daisy Jones & The Six in which a legendary film actress reflects on her relentless rise to the top and the risks she took, the loves she lost, and the long-held secrets the public could never imagine. Aging and reclusive Hollywood movie icon Evelyn Hugo is finally ready to tell the truth about her glamorous and scandalous life. But when she chooses unknown magazine reporter Monique Grant for the job, no one is more astounded than Monique herself. Why her? Why now? Monique is not exactly on top of the world. Her husband has left her, and her professional life is going nowhere. Regardless of why Evelyn has selected her to write her biography, Monique is determined to use this opportunity to jumpstart her career. Summoned to Evelyn's luxurious apartment, Monique listens in fascination as the

actress tells her story. From making her way to Los Angeles in the 1950s to her decision to leave show business in the '80s, and, of course, the seven husbands along the way, Evelyn unspools a tale of ruthless ambition, unexpected friendship, and a great forbidden love. Monique begins to feel a very real connection to the legendary star, but as Evelyn’s story near its conclusion, it becomes clear that her life intersects with Monique’s own in tragic and irreversible ways. The Seven Husbands of Evelyn Hugo is a mesmerizing journey through the splendour of old Hollywood into the harsh realities of the present day as two women struggle with what it means and what it costs to face the truth.

“Friend, asshole, angel, mutant,” singer-songwriter Vic Chesnutt “came along and made us gross and broken people seem . . . I dunno, cooler, I guess.” A quadriplegic who could play only simple chords on his guitar, Chesnutt recorded seventeen critically acclaimed albums before his death in 2009, including About to Choke, North Star Deserter, and At the Cut. In 2006, NPR placed him in the top five of the ten best living songwriters, along with Bob Dylan, Tom Waits, Paul McCartney, and Bruce Springsteen. Chesnutt’s songs have also been covered by many prominent artists, including Madonna, the Smashing Pumpkins, R.E.M., Sparklehorse, Fugazi, and Neutral Milk Hotel. Kristin Hersh toured with Chesnutt for nearly a decade and they became close friends, bonding over a love of songwriting and mutual struggles with mental health. In Don’t Suck, Don’t Die, she describes many seemingly small moments they shared, their free-ranging conversations, and his tragic death. More memoir than biography, Hersh’s book plumbs the sources of Chesnutt’s pain and creativity more deeply than any conventional account of his life and recordings ever could. Chesnutt was difficult to understand and frequently difficult to be with, but, as Hersh reveals him, he was also wickedly funny and painfully perceptive. This intimate memoir is essential reading for anyone interested in the music or the artist.

Rich girl, street punk, lost girl and icon . . . scholar, stripper, victim and media-whore: The late Kathy Acker's legend and writings are wrapped in mythologies, created mostly by Acker herself. The media storm that surrounded Kathy Acker's books was unprecedented: her books were banned in several countries and condemned by the mainstream media, but eventually the controversy, and attention, faded away. Twenty years after her untimely death aged just 50, Acker's legend has faded, making her writing more legible. In this first, fully authorized biography, Kraus approaches Acker both as a writer, and as a member of the artistic communities from which she emerged. At once forensic and intimate, After Kathy Acker traces the extreme discipline and literary strategies Acker used to develop her work, and the contradictions she longed to embody. Using exhaustive archival research and ongoing conversations with mutual colleagues and friends, Kraus charts Acker's movement through some of the late twentieth century's most significant artistic enterprises.

After Kathy Acker

Winner of the Man Booker Prize By the author of The Handmaid's Tale and Alias Grace Laura Chase's older sister Iris, married at eighteen to a politically prominent industrialist but now poor and eighty-two, is living in Port Ticonderoga, a town dominated by their once-prosperous family before the First War. While coping with her unreliable body, Iris reflects on her far from exemplary life, in particular the events surrounding her sister's tragic death. Chief among these was the publication of The Blind Assassin, a novel which earned the dead Laura Chase not only notoriety but also a devoted cult following. Sexually explicit for its time, The Blind Assassin describes a risky affair in the turbulent thirties between a wealthy young woman and a man on the run. During their secret meetings in rented rooms, the lovers concoct a pulp fantasy set on Planet Zycron. As the invented story twists through love and sacrifice and betrayal, so does the real one: while events in both move closer to war and catastrophe. By turns lyrical, outrageous, formidable, compelling and funny, this is a novel filled with deep humour and dark drama. An e-book edition of War Horse with movie stills, behind-the-scenes photos, storyboards, and more! In 1914, Joey, a beautiful bay-red foal with a distinctive cross on his nose, is sold to the army and thrust into the midst of the war on the Western Front. With his officer, he charges toward the enemy, witnessing the horror of the battles in France. But even in the desolation of the trenches, Joey's courage touches the soldiers around him and he is able to find warmth and hope. But his heart aches for Albert, the farmer's son he left behind. Will he ever see his true master again?

One of the most dynamic and globally recognized entertainment forces of our time opens up fully about his life, in a brave and inspiring book that traces his learning curve to a place where outer success, inner happiness, and human connection are aligned. Along the way, Will tells the story in full of one of the most amazing rides through the worlds of music and film that anyone has ever had. Will Smith's transformation from a fearful child in a tense West Philadelphia home to one of the biggest rap stars of his era and then one of the biggest movie stars in Hollywood history, with a string of box office successes that will likely never be broken, is an epic tale of inner transformation and outer triumph, and Will tells it astonishingly well. But it's only half the story. Will Smith thought, with good reason, that he had won at life: not only was his own success unparalleled, his whole family was at the pinnacle of the entertainment world. Only they didn't see it that way: they felt more like star performers in his circus, a seven-days-a-week job they hadn't signed up for. It turned out Will Smith's education wasn't nearly over. This memoir is the product of a profound journey of self-knowledge, a reckoning with all that your will can get you and all that it can leave behind. Written with the help of Mark Manson, author of the multi-million-copy bestseller The Subtle Art of Not Giving a F*ck, Will is the story of how one exceptional man mastered his own emotions, written in a way that can help everyone else do the same. Few of us will know the pressure of performing on the world's biggest stages for the highest of stakes, but we can all understand that the fuel that works for one stage of our journey might have to be changed if we want to make it all the way home. The combination of genuine wisdom of universal value and a life story that is preposterously entertaining, even astonishing, puts Will the book, like its author, in a category by itself.

In this generation-defining self-help guide, a superstar blogger cuts through the crap to show us how to stop trying to be "positive" all the time so that we can truly become better, happier people. For decades, we’ve been told that positive thinking is the key to a happy, rich life. "F**k positivity," Mark Manson says. "Let’s be honest, shit is f**ked and we have to live with it." In his wildly popular Internet blog, Manson doesn’t sugarcoat or equivocate. He tells it like it is—a dose of raw, refreshing, honest truth that is sorely lacking today. The Subtle Art of Not Giving a F**k is his antidote to the coddling, let’s-all-feel-good mindset that has infected American society and spoiled a generation, rewarding them with gold medals just for showing up. Manson makes the argument, backed both by academic research and well-timed poop jokes, that improving our lives hinges not on our ability to turn lemons into lemonade, but on learning to stomach lemons better. Human beings are flawed and limited—"not everybody can be extraordinary, there are winners and losers in society, and some of it is not fair or your fault." Manson advises us to get to know our limitations and accept them. Once we embrace our fears, faults, and uncertainties, once we stop running and avoiding and start confronting painful truths, we can begin to find the courage, perseverance, honesty, responsibility, curiosity, and forgiveness we seek. There are only so many things we can give a f**k about so we need to figure out which ones really matter, Manson makes clear. While money is nice, caring about what you do with your life is better, because true wealth is about experience. A much-needed grab-you-by-the-shoulders-and-look-you-in-the-eye moment of real-talk, filled with entertaining stories and profane, ruthless humor, The Subtle Art of Not Giving a F**k is a refreshing slap for a generation to help them lead contented, grounded lives.

A story of first love and family loss follows the estrangement between daredevil Jude and her loner twin brother, Noah, as a result of a mysterious event that is brought to light by a beautiful, broken boy and a new mentor. Simultaneous eBook.

In his first full-length autobiography, comedy legend and national treasure Billy Connolly reveals the truth behind his windswept and interesting life. Born in a tenement flat in Glasgow in 1942, orphaned by the age of 4, and a survivor of appalling abuse at the hands of his own family, Billy's life is a remarkable story of success against all the odds. Billy found his escape first as an apprentice welder in the shipyards of the River Clyde. Later he became a folk musician - a 'rambling man' - with a genuine talent for playing the banjo. But it was his ability to spin stories, tell jokes and hold an audience in the palm of his hand that truly set him apart. As a young comedian Billy broke all the rules. He was fearless and outspoken - willing to call out hypocrisy wherever he saw it. But his stand-up was full of warmth, humility and silliness too. His startling, hairy 'glam-rock' stage appearance - wearing leotards, scissor suits and banana boots - only added to his appeal. It was an appearance on Michael Parkinson's chat show in 1975 - and one outrageous story in particular - that catapulted Billy from cult hero to national star. TV shows, documentaries, international fame and award-winning Hollywood movies followed. Billy's pitch-perfect stand-up comedy kept coming too - for over 50 years, in fact - until a double diagnosis of cancer and Parkinson's Disease brought his remarkable live performances to an end. Since then he has continued making TV shows, creating extraordinary drawings... and writing. Windswept and Interesting is Billy's story in his own words. It is joyfully funny - stuffed full of hard-earned wisdom as well as countless digressions on fishing, farting and the joys of dancing naked. It is an unforgettable, life-affirming story of a true comedy legend. 'I didn't know I was Windswept and Interesting until somebody told me. It was a friend who was startlingly exotic himself. He'd just come back from Kashmir and was all billowy shirt and Indian beads. I had long hair and a beard and was swishing around in electric blue flairs. He said: "Look at you - all windswept and interesting!" I just said: "Exactly!" After that, I simply had to maintain my reputation...'

Putting the Rabbit in the Hat

When Julia Child arrived in Paris in 1948, a six-foot-two-inch, thirty-six-year-old, rather loud and unserious Californian, she spoke barely a few words of French and did not know the first thing about cooking. What's a shallot? she asked her husband Paul, as they waited for their sole meunière during their very first lunch in France, which she was to describe later as 'the most exciting meal of my life'. As she fell in love with French culture, buying food at local markets, sampling the local bistros and taking classes at the Cordon Bleu, her life began to change forever, and My Life in France follows her extraordinary transformation from kitchen ingénue to internationally renowned (and loved) expert in French cuisine. Bursting with adventurous and humorous spirit, Julia Child captures post-war Paris with wonderful vividness and charm.

Embrace the power of storytelling with Little Stories of Your Life. Start telling your own story, find your creative self and be more mindful. Combining the wellbeing benefits of mindfulness, creativity and daily photography, this book shows you how to use words and photographs to capture precious little moments and how to share these in order to connect with others. Each chapter explores the different ways you can tell your own stories, considers why you might choose to tell them and helps you to create a patchwork of tiny tales about your life, however small they might be. Throughout the book, Laura shares her own personal stories and research that shows you how to tune out of the bigger picture and focus on the everyday. There are exercises to gently guide you through how to journal and harness your inner creativity, as well as tips on improving your photography, photo challenges and writing prompts to get you started. It's easy to feel that our own lives are not enough, but real lives are not defined by bright, exciting events: we don't need a grand narrative arc. It's the stretches of time in between that matter, the tiny moments and the daily choices that make us who we are.

Your family's most cherished meals deserve to be remembered. Preserve all of your favorite recipes, and the memories associated with them, in this heirloom-quality blank recipe book.

Eva never really wanted to be a mother; certainly not the mother of the unlovable boy who murdered seven of his fellow high school students, a cafeteria worker and a teacher who tried to befriend him. Now, two years later, it is time for her to come to terms with marriage, career, family, parenthood and Kevin's horrific rampage in a series of startlingly direct correspondences with her absent husband, Franklyn. Uneasy with the sacrifices and social demotion of motherhood from the start, Eva fears that her alarming dislike for her own son may be responsible for driving him so nihilistically off the rails.

For fans of Dan Brown’s Origin, by the award-winning author of the massive bestsellers The Girl with All the Gifts and The Dead Sea Deception, comes a thriller you won’t be able to put down. Four hundred years ago a prophet predicted the end of the world. Now his words are coming true... Three years ago, Heather Kennedy left the Metropolitan police under a shadow that has followed her ever since. Now she has been called in to advise on a supposed burglary in the now-defunct British Museum reading room. Kennedy soon establishes that rather than steal anything, someone has broken into the stacks in order to photograph pages from books about Johann Toller, a crazed prophet of 17th century Europe. Toller believed that the end of days was at hand, and he made a number of prophecies relating to the Apocalypse and the events that would precede it. None of them came true. Until now. One after another, the grotesque signs and wonders Toller predicted come to pass, no matter how unlikely they seem: the river Rhine runs bright red, the towers of London bow to kiss the ground, and an angel with a fiery sword is seen over Jerusalem. With the help of a nineteen-year-old girl from a secretive tribe and ex-mercenary Leo Tillman, Kennedy must work to stop the next prophecy coming true - the destruction of an unnamed city... The second thriller featuring Heather Kennedy is every bit as gasp-inducing as The Dead Sea Deception - and the end of the world is on the line. Sticky Fingers is the story of how one man’s ego and ambition captured the 1960s youth culture of rock and roll and turned it into a hothouse of fame, power, politics, and riches that would last for fifty years. Drawn from dozens of hours of interviews with Jann Wenner, who granted Joe Hagan exclusive access to his vast personal archive, this biography reveals how Wenner manufactured an unforgettable cultural mythology in story and image every other week for five decades. Hagan captures in stunning detail the extraordinary stories behind Rolling Stone, the magazine that reinvented youth culture, and marketed the libertine world of late-sixties San Francisco. He chronicles Wenner’s marksmanship as an editor, his instinctive understanding of the zeitgeist, his endless pursuit of fame and power and his capacity for betrayal that would earn him as many enemies as friends. Featuring on-the-record interviews with Mick Jagger, Bruce Springsteen, Paul McCartney, Elton John, Keith Richards, Pete Townsend, Yoko Ono, Billy Joel, Tom Wolfe, Cameron Crowe, Lorne Michaels, David Geffen, Dan Aykroyd, Bette Midler, and many others, Hagan describes Wenner with intimacy, nuance, and complexity. Like a real life Clash of the Titans, STICKY FINGERS captures the spirit of the age and paints an unforgettable portrait of one of the most significant cultural forces of our time.

THE NEW YORK TIMES BESTSELLER 'Unforgettable . . . a hilarious, poignant and impassioned plea to revolutionise our attitudes to death' Gavin Francis, Guardian
From her first day at Westwind Cremation & Burial, twenty-three-year-old Caitlin Doughty threw herself into her curious new profession. Coming face-to-face with the very thing we go to great lengths to avoid thinking about she started to wonder about the lives of those she cremated and the mourning families they left behind, and found herself confounded by people’s erratic reactions to death. Exploring our death rituals - and those of other cultures - she pleads the case for healthier attitudes around death and dying. Full of bizarre encounters, gallows humour and vivid characters (both living and very dead), this illuminating account makes this otherwise terrifying subject inviting and fascinating.
