

Your Rugged Constitution

"The Canary Murder Case" is a classic whodunit mystery novel which deals with the murder of a sexy nightclub singer, with Philo Vance as an investigator. The beautiful Margaret Odell, famous Broadway beauty and ex-Follies girl known as "The Canary", is found murdered in her apartment. She has a number of men in her life, ranging from high society to gangsters, and more than one man visited her apartment on the night she dies. S. S. Van Dine is the pseudonym used by American art critic Willard Huntington Wright when he wrote detective novels. He was an important figure in avant-garde cultural circles in pre-WWI New York, and under the pseudonym he created the immensely popular fictional detective Philo Vance.

Philo Vance is a fictional character featured in 12 crime novels written by S. S. Van Dine (the pen name of Willard Huntington Wright), published in the 1920s and 1930s. During that time, Vance was immensely popular in books, movies, and on the radio. He was portrayed as a stylish, even foppish dandy, a New York bon vivant possessing a highly intellectual bent. The novels were chronicled by his friend Van Dine (who appears as a kind of Dr. Watson figure in the books as well as the author). Also included is the bonus essay, "Twenty Rules for Writing Detective Stories." Novels included are: The Benson Murder Case (1926) The "Canary" Murder Case (1927) The Greene Murder Case (1928) The Bishop Murder Case (1928) The Scarab Murder Case (1930) The Kennel Murder Case (1933) The Dragon Murder Case (1933) The Casino Murder Case (1934) The Garden Murder Case (1935) The Kidnap Murder Case (1936) The Gracie Allen Murder Case (1938) The Winter Murder Case (1939) And don't forget to search this ebook store for "Wildside Megapack" to see more entries in this series, covering classic authors and subjects like mysteries, science fiction, westerns, ghost stories -- and much, much more!

The ABA Journal serves the legal profession. Qualified recipients are lawyers and judges, law students, law librarians and associate members of the American Bar Association.

Prior to 1776, world history was primarily written about kings and emperors. The American experiment shook the world. Not only did the colonies break away from the biggest and most powerful empire in history, but they also took the musings of the brightest thinkers of the Enlightenment and implemented them. The founding of the United States was simultaneously an armed rebellion against tyranny and a revolution of ideas -- ideas that changed the course of world history.

Your Rugged Constitution was first published sixty-four years ago. It quickly became a go-to resource for generations of Americans (and some older ones too) who wanted to understand the guiding principles of our nation. Now in reissue, this rugged and much-admired classic is sure to inform, and also delight readers with its retro 1950s ethos. Your Rugged Constitution proceeds through the text of the Constitution with descriptions that are put in clear, easy-to-understand language,

by commentary and lively drawings so you can easily grasp all the ideas and concepts. Under each section and clause you, fellow American!) learn which powers you give to the federal government, and what you get in return. Your Rugged Constitution helps readers understand that the Constitution is no mere historical document, but an important contract between you and your government.

An Annotated List which Includes Library Books, Recommended Textbooks, Reference Material, and Maps, Selected with Reference to the Interests and Activities of Rural Communities

The roller-coaster of emotional turmoil can be devastating. Fear, anger, and stress take their toll, and families are hurt, job performance suffers, and self-esteem plummets. Is there hope? In this hands-on guide, readers will find practical help in: dealing with depression, overcoming bitterness, understanding feelings, forgiving others, and praising God in the midst of problems. True stories, emotional evaluations, personality charts, and biblical counsel make this book understandable and interesting. (Formerly What to Do Until the Psychiatrist Comes.)

Discusses the twenty-six amendments to the United States Constitution, how each amendment was added, the people responsible such as George Mason, James Madison, and Carrie Chapman Catt, and also provides for classroom learning activities.

The Super Summary of World History Revised is a new and very compact history of the world emphasizing western culture and political processes as of 2010. Mr. Daniel has completely reviewed and rewritten major sections of his original work, The Super Summary of World History, and published his updated work as the Super Summary of World History Revised. The Super Summary is for the thinking person. This new history raises exciting questions and puts events into new perspectives to stimulate real thinking about history rather than accepting that the past as set in stone. History isn't just names and dates, but a range of decisions and actions that often turn on the smallest circumstance. The Super Summary analyzes a few events in depth but most are put into their historical framework so the reader discern where and how all of this action escorts us to the present day. If history seems dull, pick up The Super Summary to discover that Western History is alive with controversy and consequence. The book has 612 pages, over 83 Figures most of which are maps - a detailed Table of Contents, a time line of essential events, a list of important on-line sources, an extensive index, and 391 footnotes. At the end of key chapters is a list of reading and on-line sources to help the reader expand their knowledge of history Plus a new "Let Us Learn" section detailing what history can teach us. Throughout the text, critical names are in bold, and extremely important events are in bold and italic print.

Established in 1911, The Rotarian is the official magazine of Rotary International and is circulated worldwide. Each issue contains feature articles, columns, and departments about, or of interest to, Rotarians. Seventeen Nobel Prize winners and 19 Pulitzer Prize winners - from Mahatma Ghandi to Kurt Vonnegut Jr. - have written for the magazine.

The war-on-drugs assumes all casual users are corrupted equally. It separates family, love, loyalty, and all positive social structures into protectionist policies, while ignoring the fact that casual users likewise demonstrate all of these qualities. It keeps the testimonial as its logo, and ignores the fact that experience holds no secrets. It calls casual use bad and sobriety good. And ignores that in all practical terms the two are simply different. This book is structured as a debate between two opponents, one pro drug-choice, the other against. Using a point-counterpoint style the two present

their best and worse case experiences. Though there is a logical structure to the presentation of ideas, I have labored to make the debate seem as natural as possible. The intent of the book may seem to build a case for the legalization of certain drugs, however, my greater intent is this: to present the ideas and voices of those too long dismissed in this debate. Most people believe there are only two sides to an argument. This is a false assumption, for there is right, wrong, and neutral. This oft overlooked third alternative I have relegated to the footnotes. I would encourage you to not just read passively, but rather engage the conversation with your own arguments. My best hope is this, you will come to see the world in ways you have, till now, overlooked.
